I have lived in Cold springs for the last 43 years. I used to like the small town feel to the city. I think we have lost that feeling. I live off of 1998 and the Semi's that travel that road daily is a danger. Their speed is a concern when we are turning on to Orchard Terrace. I also don't like all the new restaurants we have developing in our city. This has caused more traffic, and brought more people into our city to eat at these places.

Wednesday, January 29, 2020, 10:41 PM UTC

It has both rural and suburban in one town. I grew up in a small town in Arizona, but lived the last 30 years in Southern California which is overgrown and overdeveloped. Cold Spring has good amenities available in this town or neighboring towns, but there are also pockets of fairly rural, which I absolutely love. Please do not overdevelop housing areas or you'll lose the charm.

Wednesday, January 29, 2020, 9:42 PM UTC

nearness to all essentials

Wednesday, January 29, 2020, 9:38 PM UTC

The varied (but not too many) dining and shopping businesses. Maintenance and road care that surpasses many other areas. The lack of obnoxious signage, as well as restrictions on eye-sores on property. Very efficient safety from the fire and police departments. City facilities and activities for families, seniors and neighboring friends.

Wednesday, January 29, 2020, 6:22 PM UTC

It's just a nice town in which to live. It has been run, from a financial perspective, with care. The Police are wonderful. It has a nice park system for a city its size. It is a fairly pretty city though parts of US 27 could stand a beautification project. I also like its location as it is convenient to the airport, downtown, Florence, Eastgate and, with a stretch, Kenwood.

It was at one time a nice quiet town, but with all of the development, the traffic is getting heavy.

It would be nice, with so many businesses popping up, to make a service road to service several businesses that are close together. This way you don't have multiple exits out in the main roadway.

Acting like a connector between the businesses.

Not much. 27 is crowded, and we don't do much to make it look good. The prettier parts are off the beaten path. It's also somewhat dangerous with all the people running red lights. Since there are so many lights in a short distance.

Sunday, February 16, 2020, 10:16 PM UTC

That it's the new Florence, KY. Too many new establishments and too much traffic.

Sunday, February 16, 2020, 8:09 PM UTC

Suburb of Cincinnati. Affordable and convenient to Cincinnati.

Sunday, February 16, 2020, 4:04 PM UTC

Love it.

Sunday, February 16, 2020, 3:29 PM UTC

Dk

Sunday, February 16, 2020, 3:28 PM UTC

Outsiders have a positive image of Cold Spring. Being in the Real Estate sales industry, I find that Cold Spring is one of the more sought after cities in Campbell Co to live.

Sunday, February 16, 2020, 1:06 PM UTC

A safe place to live and raise kids.

Sunday, February 16, 2020, 2:00 AM UTC

Its a nice small town

Saturday, February 15, 2020, 4:50 PM UTC

Nice clean place

Saturday, February 15, 2020, 12:19 PM UTC

Typical, old, small city

Saturday, February 15, 2020, 11:52 AM UTC

I have never heard anything negative about it. We have a very clean, strong imagine.

Friday, February 14, 2020, 8:53 PM UTC

That it is a small residential neighborhood

Friday, February 14, 2020, 7:59 PM UTC

Don't know where the town starts or stops...it's just a (very busy) road.

Friday, February 14, 2020, 2:47 PM UTC

Some may think it is getting to urban because of the traffic along US27 or the AA Highway.

Friday, February 14, 2020, 10:58 AM UTC

Very impressed with our city!

Thursday, February 13, 2020, 10:13 PM UTC

It's kind of an old city, somewhat neglected. And I don't think "outsiders" go there.

Thursday, February 13, 2020, 9:26 PM UTC

Something to pass through to get to Alexandria and further south or to go through to get to NKU, Highland Heights. Ft. Thomas, Cincinnati, etc. Traffic congestion during rush hours. Strip shopping centers.

Thursday, February 13, 2020, 9:23 PM UTC

They think it is a slightly more upscale pleasant community.

Thursday, February 13, 2020, 8:33 PM UTC

Aspire to emulate Cold Spring.

Thursday, February 13, 2020, 8:28 PM UTC

a nice small town

Thursday, February 13, 2020, 5:57 PM UTC

Average, nothing special

Thursday, February 13, 2020, 5:49 PM UTC

It's a nice place to visit and to live in

Thursday, February 13, 2020, 5:36 PM UTC

NOTHING

Thursday, February 13, 2020, 5:19 PM UTC

I hope they just drive by and not even know they missed us

Thursday, February 13, 2020, 2:10 PM UTC

Good

Thursday, February 13, 2020, 12:40 PM UTC

Attractive city, needs restaurants but not in a clutter along us 27. Sitting back in a center tastefully designed and developed

Thursday, February 13, 2020, 7:44 AM UTC

Useful

Thursday, February 13, 2020, 3:58 AM UTC

It's a small city, suburb.

Thursday, February 13, 2020, 3:54 AM UTC

They don't know much about it. What is the attraction?

Thursday, February 13, 2020, 2:22 AM UTC

They know very little about us

Thursday, February 13, 2020, 2:22 AM UTC

I really don't care

Thursday, February 13, 2020, 1:32 AM UTC

It's a nice town

Thursday, February 13, 2020, 1:18 AM UTC

I don't think they think of Cold Spring at all. There is no obvious reason to come here unless you already know someone who lives here.

Thursday, February 13, 2020, 12:42 AM UTC

I think they have a positive impression

Thursday, February 13, 2020, 12:31 AM UTC

Small gem

Wednesday, February 12, 2020, 8:27 PM UTC

Great community

Wednesday, February 12, 2020, 8:20 PM UTC

Nice community.

Wednesday, February 12, 2020, 8:02 PM UTC

Crowded.

Wednesday, February 12, 2020, 5:42 PM UTC

Boring, not a destination

Wednesday, February 12, 2020, 5:04 PM UTC

Too many chain restaurants

Wednesday, February 12, 2020, 3:46 PM UTC

Conservative upper middle class.

Wednesday, February 12, 2020, 3:37 PM UTC

Residential suburb

Wednesday, February 12, 2020, 2:25 PM UTC

I don't know that anyone thinks much of it if they aren't from around here. Just another town.

Wednesday, February 12, 2020, 11:18 AM UTC

Irrelevant

Wednesday, February 12, 2020, 6:17 AM UTC

Podunk

Wednesday, February 12, 2020, 4:19 AM UTC

Good place to live.

Wednesday, February 12, 2020, 3:59 AM UTC

Small town suburb with families that have grown up there, friendly neighborhoods, ...desire to live here.

Wednesday, February 12, 2020, 3:28 AM UTC

They're probably envious

Wednesday, February 12, 2020, 2:02 AM UTC

That it's small and quiet

Wednesday, February 12, 2020, 1:40 AM UTC

That our quiet little city won't last much longer, especially with all of the restaurants going in.

Wednesday, February 12, 2020, 1:18 AM UTC

Nice neighborhoods

Wednesday, February 12, 2020, 1:10 AM UTC

Quiet city that is getting greedy

Tuesday, February 11, 2020, 11:25 PM UTC

No idea

Tuesday, February 11, 2020, 11:16 PM UTC

For the most part awesome but there are a couple rural roads that have really gone toward trash and blight that put a mark on our wonderful city.

Tuesday, February 11, 2020, 11:11 PM UTC

Lots to offer. Some buildings/businesses could use some upkeep

Tuesday, February 11, 2020, 10:48 PM UTC

It's a good mix of city and county. Still close to downtown Cincy but not a big city

Tuesday, February 11, 2020, 10:48 PM UTC

Small town

Tuesday, February 11, 2020, 10:05 PM UTC

small bedroom community

Tuesday, February 11, 2020, 9:59 PM UTC

Just like any other city in Campbell County

Tuesday, February 11, 2020, 9:53 PM UTC

Cracker Barrel

Tuesday, February 11, 2020, 9:38 PM UTC

Lots of Traffic , nice friendly city

Tuesday, February 11, 2020, 9:32 PM UTC

It's a good city.

Tuesday, February 11, 2020, 9:08 PM UTC

Needs to be updated, not very visually appealing

Tuesday, February 11, 2020, 8:49 PM UTC

Small town

Tuesday, February 11, 2020, 7:37 PM UTC

That is is part of Highland Heights or Alexandria

Tuesday, February 11, 2020, 6:57 PM UTC

dumb question

Tuesday, February 11, 2020, 6:53 PM UTC

Good place to live

Tuesday, February 11, 2020, 6:51 PM UTC

Out of the way. Outdated. Hillbilly Kentucky :)

Tuesday, February 11, 2020, 6:34 PM UTC

Hopefully they get a sense of family values. And feel safe.

Tuesday, February 11, 2020, 6:27 PM UTC

Where is it? Is what I hear mostly. Then I say by NKU.

I don't think people are talking about us at all.

Tuesday, February 11, 2020, 6:01 PM UTC

Small Town that you drive though to get to Cincinnati.

Tuesday, February 11, 2020, 5:58 PM UTC

Small town, not much that draws you to visit unless you live here. Lots of restaurants but not much to do outside of that. Need to travel to other cities for activities

Tuesday, February 11, 2020, 5:48 PM UTC

Small and boring

Tuesday, February 11, 2020, 5:24 PM UTC

dated, far away

Tuesday, February 11, 2020, 5:03 PM UTC

Nice place to live

Tuesday, February 11, 2020, 4:59 PM UTC

small town; exclusive; conservative; white

Tuesday, February 11, 2020, 4:35 PM UTC

Convenient place to stop on the way somewhere else.

Tuesday, February 11, 2020, 3:53 PM UTC

Boring, rural

Tuesday, February 11, 2020, 3:47 PM UTC

Upstanding community.

Tuesday, February 11, 2020, 3:38 PM UTC

Small town

Tuesday, February 11, 2020, 3:26 PM UTC

Boring

Tuesday, February 11, 2020, 3:23 PM UTC

Don,t know

Tuesday, February 11, 2020, 3:22 PM UTC

Most people I speak to want to find a place to live in the city. They are amazed at how nice it is and how close it is to everything.

Tuesday, February 11, 2020, 3:14 PM UTC

I think they see it as a good suburban town to live it. Kind of cookie cutter but good people. I wish I could see more local business and not just chains

Tuesday, February 11, 2020, 3:10 PM UTC

I've heard people call it the new Fort Thomas. It's hard to find a house to live here

Tuesday, February 11, 2020, 3:01 PM UTC

Friendly

Tuesday, February 11, 2020, 3:00 PM UTC

That is a nice city

Tuesday, February 11, 2020, 2:50 PM UTC

quiet little neighborhood

Tuesday, February 11, 2020, 2:49 PM UTC

I think that outsiders think that Cold Spring is an up and coming community that is expanding for the better.

Tuesday, February 11, 2020, 2:45 PM UTC

I once heard Cold Spring referred to as "Cincinnati's best kept secret." I totally agree with that. Traffic isn't horrible (yet) and it is close to the city but it feels like we aren't. We have some nice small businesses. I hate to see Paint and Bake close. Wish I could buy it and keep it going. It brought people here from other areas. Anyway, Cold Spring still has a small town feel, even though it is rapidly growing. I hope we keep it nice and are selective in what businesses we allow to open here.

Tuesday, February 11, 2020, 2:45 PM UTC

It's a small , clean quaint city .

Tuesday, February 11, 2020, 2:36 PM UTC

Not sure

Tuesday, February 11, 2020, 2:34 PM UTC

Conservative and boring.

Tuesday, February 11, 2020, 2:30 PM UTC

It's a great neighborhood to live in but lacks facilities for our children to enjoy

Tuesday, February 11, 2020, 2:29 PM UTC

That it is a clean, small town in NKY

Tuesday, February 11, 2020, 2:28 PM UTC

never asked.

Tuesday, February 11, 2020, 2:22 PM UTC

They don't notice it. I don't think most people know it's here or if they knew about it they don't know where it is. It's just not well known.

Tuesday, February 11, 2020, 2:20 PM UTC

They think of NKU.

Tuesday, February 11, 2020, 2:19 PM UTC

a nice neighborhood

Tuesday, February 11, 2020, 2:17 PM UTC

So much better than Alexandria

Tuesday, February 11, 2020, 2:14 PM UTC

They think it's owned by NKU

Tuesday, February 11, 2020, 2:09 PM UTC

that it's a quaint safe suburb of Cincinnati

Tuesday, February 11, 2020, 2:06 PM UTC

Don't respect it

Tuesday, February 11, 2020, 2:02 PM UTC

Small ky town

Tuesday, February 11, 2020, 1:51 PM UTC

Family friendly and beautiful

Tuesday, February 11, 2020, 1:20 PM UTC

Tuesday, February 11, 2020, 6:05 AM UTC

it is small, not much development needs more

Tuesday, February 11, 2020, 5:57 AM UTC

Nice city, sought after real estate.

Tuesday, February 11, 2020, 4:12 AM UTC

Nice place to be

Tuesday, February 11, 2020, 4:08 AM UTC

Where is Cold Spring?

Tuesday, February 11, 2020, 4:05 AM UTC

Nice city

Tuesday, February 11, 2020, 3:44 AM UTC

People think this is a town with small town charm.

Tuesday, February 11, 2020, 3:22 AM UTC

It is a drive through city if they even knew they were here. Tons of traffic

Tuesday, February 11, 2020, 3:09 AM UTC

Small, non-identifiable, boring

Tuesday, February 11, 2020, 2:53 AM UTC

I don't think many know of Cold Spring

Tuesday, February 11, 2020, 2:39 AM UTC

Unknown by most

Tuesday, February 11, 2020, 2:31 AM UTC

Quiet

Tuesday, February 11, 2020, 1:29 AM UTC

They don't know much about it.

Tuesday, February 11, 2020, 1:20 AM UTC

It's safe

Tuesday, February 11, 2020, 1:02 AM UTC

If you blink you might miss it

Tuesday, February 11, 2020, 12:49 AM UTC

traffic is not good on 27, some roads/sidewalks in need of repair, The apartment sign (former entrance) next to Cracker Barrel makes no sense- people do not know how to get to the apartments, nice activities planned

Tuesday, February 11, 2020, 12:48 AM UTC

that it's a nice community...

Tuesday, February 11, 2020, 12:46 AM UTC

Nice little town

Sunday, February 9, 2020, 1:16 AM UTC

quiet suburb

drive-thru community for most

Saturday, February 8, 2020, 8:37 PM UTC

It's a clean, prospering community.

Saturday, February 8, 2020, 7:09 PM UTC

It must be positive as no one has expressed a negative feeling towards the city.

Saturday, February 8, 2020, 6:19 PM UTC

That our city council doesn't follow through with their promises to look into issues of businesses in the city.

Saturday, February 8, 2020, 5:55 PM UTC

Older

Saturday, February 8, 2020, 4:52 PM UTC

Not very welcoming, just a pass through city.

Older neighborhoods

Beautiful scenery.. rural-ness

Saturday, February 8, 2020, 4:26 PM UTC

Too much traffic

Saturday, February 8, 2020, 4:18 PM UTC

Growing & changing but needs clarity

Saturday, February 8, 2020, 4:12 PM UTC

Congested

Saturday, February 8, 2020, 1:58 PM UTC

It's not in the news much, which is generally good thing.

Friday, February 7, 2020, 8:35 PM UTC

?

Friday, February 7, 2020, 8:22 PM UTC

I think they like it!

Friday, February 7, 2020, 6:09 PM UTC

I think we should be proud of our city. I think people think it is a great place to live.

Friday, February 7, 2020, 4:29 PM UTC

small

Friday, February 7, 2020, 6:44 AM UTC

A place they might like to live

Friday, February 7, 2020, 4:36 AM UTC

Up and coming area. Lots to now chose from for shopping, dining, etc.

Friday, February 7, 2020, 3:28 AM UTC

That it's a pleasant place to live

Friday, February 7, 2020, 3:01 AM UTC

One of the small suburbs in Northern KY. Has shopping, fairly good traffic flow, safe and convenient to Greater Cincinnati areas.

Friday, February 7, 2020, 2:21 AM UTC

Small, quiet community

Friday, February 7, 2020, 1:59 AM UTC

Pass thru City, out in the county

Friday, February 7, 2020, 12:40 AM UTC

Good place to settle down.

Friday, February 7, 2020, 12:35 AM UTC

Small or unknown

Thursday, February 6, 2020, 10:49 PM UTC

Nice place to raise kids or retire.

Thursday, February 6, 2020, 10:22 PM UTC

They don't know where it is

Thursday, February 6, 2020, 9:29 PM UTC

I don't know. I don't think a lot of them really know where it actually is - "somewhere in Campbell County" probably! But I was just talking with someone who is interested in buying property here, and she lives in Cincinnati and said she really liked the country-like aspect of it.

Thursday, February 6, 2020, 9:19 PM UTC

I'm not sure they think of it at all...we are more of a pass through than a town.

Thursday, February 6, 2020, 9:18 PM UTC

Well kept community..home of hard working people!

Thursday, February 6, 2020, 9:00 PM UTC

Nice area

Thursday, February 6, 2020, 7:53 PM UTC

Unsure

Thursday, February 6, 2020, 7:50 PM UTC

No idea

Thursday, February 6, 2020, 7:17 PM UTC

They don't think of it as a city at all...it's just a bunch of buildings along US 27. Too many visible condos and apartments. Although it's nice, there is nothing that stands out about this city to those who don't live here. I find nothing unique about Cold Spring.

Thursday, February 6, 2020, 7:10 PM UTC

Nice safe bedroom community.

Thursday, February 6, 2020, 6:59 PM UTC

It is a great community for upper middle class.

Thursday, February 6, 2020, 6:59 PM UTC

great place to live!

Thursday, February 6, 2020, 5:44 PM UTC

That it is a small, conservative, bedroom community located close to NKU.

Thursday, February 6, 2020, 5:35 PM UTC

Nice, quiet community

Thursday, February 6, 2020, 4:22 PM UTC

small

Thursday, February 6, 2020, 1:26 AM UTC

I have no idea.

Thursday, February 6, 2020, 12:33 AM UTC

small, average, built on 2 highways, traffic, suburbia

Wednesday, February 5, 2020, 9:26 PM UTC

There is nothing here for outsiders to do. Empty buildings, now that DAV is leaving another empty building, and US 27 has no aesthetics to it. We have eye sores galore in train cars, run down and empty gas stations, FOR RENT or FOR SALE signs in every vacant lot. If this is the vision that the mayor and council wants then this city will never amount to anything.

Wednesday, February 5, 2020, 6:57 PM UTC

growing in population and businesses, nice place to live

Wednesday, February 5, 2020, 5:49 PM UTC

I'm an outside who use to watch the meetings on Campbell Media. I miss seeing the meetings because I have family in Cold Spring. As an outsiders I'm very disappointed in the way meetings are run and the chip on some elected officials. Cold Spring can do better.

Wednesday, February 5, 2020, 3:48 PM UTC

Bad roads because of the mayor

Wednesday, February 5, 2020, 1:31 PM UTC

I think Alexandria comes to mind. I think people think of it being far away, but this is coming from someone originally from Ohio

Wednesday, February 5, 2020, 4:25 AM UTC

We have a lot of stoplights

Wednesday, February 5, 2020, 2:46 AM UTC

Us 27 is becoming beechmont ave in Ohio

Wednesday, February 5, 2020, 12:03 AM UTC

They probably think it's part of Highland Heights or Alexandria

Tuesday, February 4, 2020, 9:49 PM UTC

Not much going on out this way

Tuesday, February 4, 2020, 7:26 PM UTC

I have no idea

Tuesday, February 4, 2020, 5:58 PM UTC

That it is a nice, middle income city with an abundance of chain restaurants

Tuesday, February 4, 2020, 5:33 PM UTC

It's just a city to pass through. They appreciate First Baptist Cold Spring welcoming concerts and concert goers.

Tuesday, February 4, 2020, 4:06 PM UTC

I think most think we are a tiny community that is stuck in an old era

Tuesday, February 4, 2020, 1:55 PM UTC

most do not give Cold Spring a thought

Tuesday, February 4, 2020, 12:04 AM UTC

Sunday, February 2, 2020, 10:08 PM UTC

Sunday, February 2, 2020, 9:50 PM UTC

A town I drive through to get to Cincinnati. Isn't that by NKU?

Sunday, February 2, 2020, 8:08 PM UTC

a growing city

Sunday, February 2, 2020, 5:55 PM UTC

Cozy town in between a wide known city and a flourishing city.

Sunday, February 2, 2020, 4:50 PM UTC

I don't know

Sunday, February 2, 2020, 4:33 PM UTC

Where's that?

Sunday, February 2, 2020, 4:08 PM UTC

Good place to be in.

Sunday, February 2, 2020, 12:40 AM UTC

Not sure they do - it is spread out and no real city center etc

Sunday, February 2, 2020, 12:34 AM UTC

Great reasonable place to raised your family.

Saturday, February 1, 2020, 10:18 PM UTC

It is small yet has a vibrant atmosphere

Saturday, February 1, 2020, 10:12 PM UTC

pleasant small town

Saturday, February 1, 2020, 9:44 PM UTC

Lots of traffic, plenty of shopping, grocery stores, plenty of homes & condos.

Saturday, February 1, 2020, 12:57 PM UTC
Only a few main roads to navigate the city. Commercialized with chain restaurants. Good schools

Saturday, February 1, 2020, 12:32 PM UTC

Great place to live

Saturday, February 1, 2020, 12:15 PM UTC

they love it keep coming to actives that are plaaned

Saturday, February 1, 2020, 3:18 AM UTC

I think others feel the traffic is getting worse

Saturday, February 1, 2020, 2:54 AM UTC

Clean with close amenities

Saturday, February 1, 2020, 2:20 AM UTC

It's a nice city. Traffic is getting a bit crazy but overall very family friendly and safe

Saturday, February 1, 2020, 2:11 AM UTC

They hear and know how much traffic on US 27 is a nightmare. Other than traffic issue, I think it's a desirable city to live in. It would be even more desirable if route 8 were open and an option to get in and out of the city.

Saturday, February 1, 2020, 2:08 AM UTC

Small. May miss it on way through. Not much to make an impression.

Saturday, February 1, 2020, 1:36 AM UTC

A place of transition or to stop by to get to other cities.

Great place to live

Friday, January 31, 2020, 6:38 PM UTC

The southern part is better looking from 27 than the northern part. I feel Highland Heights has done more to have their street view with business very well

Friday, January 31, 2020, 5:01 PM UTC

outside where

Friday, January 31, 2020, 4:04 PM UTC

Nice City to live and work in.

Thursday, January 30, 2020, 5:58 PM UTC

Small, fast food restaurants, great streets

Dunkin' Donuts needed a better drive thru design. Enjoy the flags on US 27. If you have a lake your going to have wildlife.

Thursday, January 30, 2020, 4:50 PM UTC

Overall I think ok, seem to be hearing a lot of negative commits lately about no one has answers to simple questions

Thursday, January 30, 2020, 12:04 PM UTC

Booming

Thursday, January 30, 2020, 4:32 AM UTC

A pass by city

Thursday, January 30, 2020, 3:43 AM UTC

I have only been here a year. I thought it was a clean small city that offered some bigger city advantages.

Thursday, January 30, 2020, 3:27 AM UTC

Nice city

Thursday, January 30, 2020, 2:25 AM UTC

Nothing really. Always comparing to their better place where they live.

Thursday, January 30, 2020, 1:36 AM UTC

A lot of people think it's the next Ft Thomas

Thursday, January 30, 2020, 1:30 AM UTC

It's in the sticks

Thursday, January 30, 2020, 12:29 AM UTC

Growing city that you drive thru on the way to / from Cincinnati

Wednesday, January 29, 2020, 11:47 PM UTC

I have been a resident since 2003 and I love our city. I believe unless you are from the area most people probably have no idea where cold spring is. I'm fine with that as traffic has gotten quiet bad on 27 over the last 10 years.

Wednesday, January 29, 2020, 10:41 PM UTC

I am probably as close to an outside as a citizen of Cold Spring could be, having only moved from out of state to Cold Spring just six months ago. As someone wanting to move to somewhere in the three most northern counties of KY, I saw Cold Spring as offering both rural and suburban. I live on Cabin Creek Drive, about halfway down East Alexandria Pike, and the whole E. Alexandria Pike area is what I would consider 'out of town' or rural, meaning driving through some undeveloped land. I would hate to see further development of this area. Yet Cold Spring also offers residents quite a bit of infrastructure and necessary amenities through the variety of businesses here. And what we can't find within Cold Spring is readily available in surrounding local towns. And then a few large cities are nearby. I think outsiders who are willing to spend the time looking are going to see Cold Spring as a town that meets many needs.

Wednesday, January 29, 2020, 9:42 PM UTC

probably as a small city

Wednesday, January 29, 2020, 9:38 PM UTC

More of a place to pass-thru instead of the desirable feel of a "town".

Wednesday, January 29, 2020, 9:25 PM UTC

I hear complaints about the congestion on 27 and failure to maintain sidewalks.

Wednesday, January 29, 2020, 9:15 PM UTC

Easily accessible

Wednesday, January 29, 2020, 9:12 PM UTC

Small town

Wednesday, January 29, 2020, 8:33 PM UTC

I think they're impressed

Wednesday, January 29, 2020, 8:15 PM UTC

Are we in Alexandria/Highland Heights?

Wednesday, January 29, 2020, 7:37 PM UTC

My experience with 1st time visitors is that they are impressed.

Wednesday, January 29, 2020, 7:16 PM UTC

Heavy traffic

Wednesday, January 29, 2020, 6:36 PM UTC

They pass through and see couple miles of retail and restaurants

Wednesday, January 29, 2020, 6:35 PM UTC

Growing city

Wednesday, January 29, 2020, 6:22 PM UTC

I doubt outsiders think of us. Were they to do so, they would probably think a somewhat typical suburb with a good location, fairly unattractive main thoroughfare (US 27) and a major traffic problem.

Wednesday, January 29, 2020, 6:13 PM UTC

It needs more of its own identity. Needs building codes so not so many ugly buildings everywhere. More planning for development rather than hap hazard businesses and condos everywhere.

Wednesday, January 29, 2020, 5:44 PM UTC

Nice community

Wednesday, January 29, 2020, 5:34 PM UTC

Doesn't change much

Wednesday, January 29, 2020, 5:32 PM UTC

City, but urban and not as congested as a lot of other cities

Wednesday, January 29, 2020, 5:19 PM UTC

Far from Cinti

Wednesday, January 29, 2020, 4:42 PM UTC

I don't think outsiders know much of the city. It tends to get lumped in with either Highland Heights or Alexandria.

Wednesday, January 29, 2020, 4:37 PM UTC

Unsure

Wednesday, January 29, 2020, 4:35 PM UTC

No clue

Wednesday, January 29, 2020, 3:50 PM UTC

Hopefully they see the city as a clean attractive place to live . NKU is a real plus!

Wednesday, January 29, 2020, 2:40 PM UTC

Where is that?

Wednesday, January 29, 2020, 1:18 PM UTC

The city blends in so I don't imagine outsiders would think much about the city one way or the other

Wednesday, January 29, 2020, 1:02 PM UTC

I don't know.

Wednesday, January 29, 2020, 10:33 AM UTC

Boring

Congested

Nice place to live but there is nothing to do in regards to entertainment or shopping

Wednesday, January 29, 2020, 12:33 AM UTC

Boring and residential.

Wednesday, January 29, 2020, 12:28 AM UTC

Many have comment lately about the traffic on US 27 coming through Cold Spring. I've also heard that the appearance when driving through has added many eyesores over the last few years. Unkept properties, cars parked for sale, lots of dumpsters open to public view, Salmon Pass is a mess. Our neighborhoods are starting to show many unkept properties. Houses need painted, grass/dead weeds need trimmed, lose gutters and messy yards. Need better control of ordinances violations.

Tuesday, January 28, 2020, 11:13 PM UTC

Not much, the town needs to grow. The addition of larger name restaurants and businesses are moving cold spring in the right direction

Tuesday, January 28, 2020, 10:19 PM UTC

Nicer than Newport & Alexandria, not as nice as Fort Thomas

Tuesday, January 28, 2020, 10:11 PM UTC

nice bedroom community although not a lot to do inside city limits other than shop at a grocery store or eat at a chain restaurant.

Tuesday, January 28, 2020, 9:26 PM UTC

not sure

Tuesday, January 28, 2020, 8:49 PM UTC

It's nice

Tuesday, January 28, 2020, 8:41 PM UTC

Outsiders think it is in the beginning stages of becoming like Colerain Avenue. My friends think the area is in decline and becoming more of a low income area.

Tuesday, January 28, 2020, 8:34 PM UTC

Boring, congested, outside of homes not much here, sits between NKU and Alexandria (question was asked of classmates at NKU)

Tuesday, January 28, 2020, 8:28 PM UTC

Unpleasant appearance on 27

Tuesday, January 28, 2020, 7:33 PM UTC

Favorable.

Tuesday, January 28, 2020, 5:03 PM UTC

we're a bit hodgepodge when I think of our commerce but they see we have good guts, city buildings/gov facilities are kept nice. A safe town.

Tuesday, January 28, 2020, 4:06 PM UTC

I have no idea what other people think about Cold Spring.

Tuesday, January 28, 2020, 3:55 PM UTC

That city at end of 471 where county Police write tickets for seat belt violations.

Tuesday, January 28, 2020, 3:53 PM UTC

Thursday, February 13, 2020, 1:32 AM UTC

It's nice

Thursday, February 13, 2020, 1:18 AM UTC

I don't know. It's probably okay to not be on anyone's radar, and I don't have a positive reason that's reasonable. I would love for it to be a more walkable community, but we are told that stop lights and sidewalks to get from point A to point B are not feasible. We don't have an area that is conducive to building a good food scene, but maybe some diverse food options will pop up around the university in Highland Heights. But it looks like just more chain restaurants there. I just hope Cold Spring doesn't become a strip mall with chain restaurants and stores all up and down Alexandria Pike.

Great place to live

Thursday, February 6, 2020, 7:17 PM UTC

I don't care what they think, This is my home town...how about getting busy and finishing the park that is supposed to go around the lake behind cracker barrel instead of worrying about what someone outside the city thinks. This city needs more sense of community. I believe that ever since US 27 was widened we've somewhat lost our sense of community. There are places where kids live across the street from each other but yet go to two different public schools.

Thursday, February 6, 2020, 7:10 PM UTC

Great place to live, work, shop and raise a family.

Wednesday, February 5, 2020, 9:26 PM UTC

It would be nice to have people want to come and shop, have entertainment for families, have business that is not fast food, and think of Cold Spring as a Maderia, Ohio or Silverton, Ohio. How about a Costco where DAV is, or a Target or a entertainment district to draw people and students from NKU.

Wednesday, February 5, 2020, 6:57 PM UTC

Saturday, February 1, 2020, 10:18 PM UTC

I want them to know about our lovely city, but before I can recommend moving here, we must grow the infrastructure. We keep growing but we forget about the internal growth that use to make us tick. Start spending the dollars on building new businesses, and start thinking about upgrading the resources that makes us run! Do you elected officials even realize that our sewage and water systems are old. For goodness sakes, start building upgrades that will ensure the growth of our dreams!

Wednesday, January 29, 2020, 10:41 PM UTC

I want outside people to realize that Cold Spring is a small town that offers quite a bit, and is perfectly located close to other communities that can offer what isn't available here. I see, as someone coming from the outside before six months ago, this wonderful little town as perfectly located between rural and urban areas, offering as respite from the big city and towns while still conveniently close by.

Tuesday, January 28, 2020, 11:13 PM UTC

They most likely don't know much, due to the fact there is not many businesses bring outsiders into the city other than to go north or south on 27 effectively creating a "drive through" city

Tuesday, January 28, 2020, 10:19 PM UTC

It's a welcoming community that offers top notch schools, things for adults and kids to do alike, cares about it's residents.

Tuesday, January 28, 2020, 10:11 PM UTC

Q9 9. How do you see Cold Spring changing in the next 20 years?

Tuesday, February 18, 2020, 9:07 AM UTC

Too much commercialization

Monday, February 17, 2020, 11:20 PM UTC

Traffic is a concern as the city grows

Monday, February 17, 2020, 11:56 AM UTC

I see it becoming more crowded and containing too many restaurants. Why do we need so many places to eat? We need nicer stores and shops. Better curb appeal and better variety. I don't understand the push for all these restaurants.

Monday, February 17, 2020, 9:08 AM UTC

Somehow get connected to Nku

Monday, February 17, 2020, 9:05 AM UTC

More retail and commercial buildings, more traffic

Monday, February 17, 2020, 2:24 AM UTC

Need more nice restaurants to eat at with outdoor seating

Sunday, February 16, 2020, 11:04 PM UTC

Growing in size

Sunday, February 16, 2020, 10:16 PM UTC

Going to crap. If too many more restaurants, subdivisions or apartments are built, I'll probably move

Sunday, February 16, 2020, 8:09 PM UTC

I suspect it will continue to develop with more housing and business where possible. I think the growth of NKU will continue to affect Cold Spring's development.

Sunday, February 16, 2020, 4:04 PM UTC

Taxes to be lowered.

Sunday, February 16, 2020, 3:29 PM UTC

As any city gets bigger, there will be too many restaurants and too much shopping. You can't stop things from getting big I guess. We need more residential areas. Our schools are top quality. Attract more nice families with nice, moderate housing (\$200K). We don't need any more \$300-400K housing (please!).

Sunday, February 16, 2020, 3:28 PM UTC

Growth in population is the city can annex areas to provide more housing. Growth in number of businesses to serve the community. Increase in need to control added traffic that will be coming.

Sunday, February 16, 2020, 1:06 PM UTC

More like Florence Ky.

Sunday, February 16, 2020, 2:00 AM UTC

Getting TOO big adding to many businesses instead of keeping it small like a hometown feeling

Saturday, February 15, 2020, 4:50 PM UTC

Too much development

Saturday, February 15, 2020, 12:19 PM UTC

I know this isn't Cold Spring per se but the 275 AA exchange is pathetic. For a lot of people, it's their introduction to our area. We need more business, restaurants on AA, north of 27. Our roads, bridges are in dire need of repair

Saturday, February 15, 2020, 11:52 AM UTC

I can only see it continue to improve.

Friday, February 14, 2020, 8:53 PM UTC

Hopefully not built up so much that it is hard to travel through

Friday, February 14, 2020, 7:59 PM UTC

Filling in city boundary holes that are currently Campbell Co.

Continued (albeit slower) growth

Development of DAV site.

Friday, February 14, 2020, 2:47 PM UTC

Unless the traffic on US27 between I-471 and Alexandria is widened and improved, it will become a congestion nightmare to visit businesses along US27 or to live in a home that requires use of US27 to get to.

Friday, February 14, 2020, 10:58 AM UTC

Developing more land. More businesses.

Thursday, February 13, 2020, 10:13 PM UTC

I think there has already been some improvements, so I hope they last. Unfortunately, I've been around long enough to see so much turn over I don't have high hopes for new businesses.

Thursday, February 13, 2020, 9:26 PM UTC

More traffic. More questions about city direction & government management. Uncontrolled growth (retail & business) to compete with surrounding cities versus quality of life maintenance for citizenry. Infrastructure challenges. Tax increases need for more city services due to growth. Just a pass through between Alexandria and southern part of Campbell County and north access to Ft. Thomas, riverfront Kentucky communities, and Cincinnati.

Thursday, February 13, 2020, 9:23 PM UTC

Probably stealing peoples homes to build more commercial businesses and make it more congested and less quiet and pleasant to live in.

Thursday, February 13, 2020, 8:33 PM UTC

Growing substantially.

Thursday, February 13, 2020, 8:28 PM UTC

slight population increase, hopefully some improvements in facilities

Thursday, February 13, 2020, 5:57 PM UTC

Crowded, not much planning and no street scraping

Thursday, February 13, 2020, 5:49 PM UTC

Hopefully not too much change as we like it the way it is now, but perhaps closer top- notch health facilities and outdoor spaces devoted to family activities

Thursday, February 13, 2020, 5:36 PM UTC

I DON'T

Thursday, February 13, 2020, 5:19 PM UTC

Its going to end up like Mall rd. More stop lights and restaurant chains, the home town feel will be replaced by traffic(pretty bad already) and honking horns

Thursday, February 13, 2020, 4:33 PM UTC

I hope that Cold Spring in the next 20 years has grown with small businesses and entrepreneurs

Thursday, February 13, 2020, 2:38 PM UTC

more traffic and resturants

Thursday, February 13, 2020, 2:10 PM UTC

More businesses

Thursday, February 13, 2020, 12:40 PM UTC

Hopefully developing in an attractive manner

Thursday, February 13, 2020, 7:44 AM UTC

Hopefully no more over populating of unnecessary businesses and buildings

Thursday, February 13, 2020, 3:58 AM UTC

Growth, but Hopefully not too much. Want to keep as safe as possible and limit traffic issues

Thursday, February 13, 2020, 3:54 AM UTC

Better developed, parks and recreation

Thursday, February 13, 2020, 2:22 AM UTC

As a quite city

Thursday, February 13, 2020, 2:22 AM UTC

At the present time it seems to becoming a CORAINE AVENUE

Thursday, February 13, 2020, 1:32 AM UTC

More population

Thursday, February 13, 2020, 1:26 AM UTC

No green space, not enough single family homes, too many run down and miss managed apartments and rental units

Thursday, February 13, 2020, 1:18 AM UTC

More chain stores and restaurants popping up along Alexandria Pike.

Thursday, February 13, 2020, 12:42 AM UTC

Hopefully maintaining or increasing the positive aspects

Thursday, February 13, 2020, 12:31 AM UTC

Yes less rural more growth

Thursday, February 13, 2020, 12:20 AM UTC

Hopefully not much

Wednesday, February 12, 2020, 11:42 PM UTC

Traffic congestion and grid lock at rush hour.

Wednesday, February 12, 2020, 8:27 PM UTC

Starting to look like Beechmont Avenue and that's not a good thing

Wednesday, February 12, 2020, 8:20 PM UTC

New families coming in to enjoy our community.

Wednesday, February 12, 2020, 8:02 PM UTC

To much business.

Wednesday, February 12, 2020, 5:42 PM UTC

Already seeing some developments but more shopping options or activities would be nice

Wednesday, February 12, 2020, 5:04 PM UTC

More local places to eat. And a local coffee shop. And a dog park

Wednesday, February 12, 2020, 3:46 PM UTC

I don't know

Wednesday, February 12, 2020, 3:37 PM UTC

Increased local businesses - ideally higher end. Develop key real estate. Maintain the standard for property care, etc.

Wednesday, February 12, 2020, 2:25 PM UTC

Hopefully, the parts/buildings that need attention, get it. I would love to see some sort of community center space. Maybe a place for younger teenagers to go and feel safe to spend time with friends just hanging out. I think we need that!

Wednesday, February 12, 2020, 11:18 AM UTC

Needs to be more of a community instead of a travel and business corridor to southern Campbell county.

Wednesday, February 12, 2020, 6:17 AM UTC

Too many fast food restaurants

Wednesday, February 12, 2020, 4:19 AM UTC

More businesses & subdivisions.

Wednesday, February 12, 2020, 3:59 AM UTC

A new police station. Maybe more events to take place at friendship park or some other location like the new police station area. There are a lot of citizens that are aging/retiring and may be looking to move, etc, thus creating available homes for new families. I see growth in population because of this with a possible desire for more kid friendly events or activities. I also anticipate these new families to be renovating many of the dated homes in the community when they move in, therefore, increasing the value of the home. This has positive effects on the neighborhoods and city. I hope to not see more retail or fast food.

Wednesday, February 12, 2020, 3:28 AM UTC

Getting more congested, but growing across the board b

Wednesday, February 12, 2020, 2:02 AM UTC

Modernization

Please

Wednesday, February 12, 2020, 1:42 AM UTC

More and more traffic

Wednesday, February 12, 2020, 1:40 AM UTC

Possibly too much growth.

Wednesday, February 12, 2020, 1:18 AM UTC

Too much new business

Wednesday, February 12, 2020, 1:10 AM UTC

Businesses will come and go and we will have a bunch of empty shops

Tuesday, February 11, 2020, 11:25 PM UTC

Overcrowded

Tuesday, February 11, 2020, 11:16 PM UTC

I hope not very much except to clean up junk, old cars and trash on the rural roads

Tuesday, February 11, 2020, 11:11 PM UTC

Not sure. Dont want its essence to change

Tuesday, February 11, 2020, 10:48 PM UTC

Would love some Rec sports and programs for kids and adults

Tuesday, February 11, 2020, 10:48 PM UTC

Nku could make it a college town and 27 will become even worse with traffic

Tuesday, February 11, 2020, 10:05 PM UTC

swallowed up by Highland Heights and Alexandria

Tuesday, February 11, 2020, 9:59 PM UTC

Hopefully with more to do

Tuesday, February 11, 2020, 9:38 PM UTC

See too much traffic (unless alternate routes are developed), more development

Tuesday, February 11, 2020, 9:32 PM UTC

Becoming very populated due to it's proximity to everything.

Tuesday, February 11, 2020, 9:08 PM UTC

More resources, updated/additional parks and community gathering spaces, more "beautified"

Tuesday, February 11, 2020, 8:49 PM UTC

More businesses 27 to turn into a beechmont ave

Tuesday, February 11, 2020, 7:37 PM UTC

I could envision a Cold Spring city "center" that doesn't have Alexandria Pike running right through the middle of it.

Tuesday, February 11, 2020, 6:57 PM UTC

limited growth

Tuesday, February 11, 2020, 6:53 PM UTC

Hopefully controlled growth. I worry that there will no real plan and that we will become another Florence

Tuesday, February 11, 2020, 6:51 PM UTC

Busier. More people. More roads. Depending on traffic design, could become congested. More crime.

Tuesday, February 11, 2020, 6:34 PM UTC

Hopefully for the better. We don't want to go to far from the tight knit community that we are.

Tuesday, February 11, 2020, 6:27 PM UTC

We could really use an state of the art recreation area.

Tuesday, February 11, 2020, 6:01 PM UTC

Maybe build a cinema or some more high end restruants

Tuesday, February 11, 2020, 5:58 PM UTC

More shopping, entertainment and food options so someone doesn't need to travel to the areas to be able to do those things.

Tuesday, February 11, 2020, 5:48 PM UTC

More modern services and business

Tuesday, February 11, 2020, 5:24 PM UTC

slowly

Tuesday, February 11, 2020, 5:03 PM UTC

More restaurants

Tuesday, February 11, 2020, 4:59 PM UTC

Business development and more community activity space.

Tuesday, February 11, 2020, 4:35 PM UTC

I'd like to see a gym for kids to play indoor sports. More family friendly activities. And more events, like concerts.

Tuesday, February 11, 2020, 3:47 PM UTC

Continue to progress.

Tuesday, February 11, 2020, 3:38 PM UTC

More businesses

Tuesday, February 11, 2020, 3:26 PM UTC

Expansion and growth are the next 20 years. Goodbye to the quiet, rural community.

Tuesday, February 11, 2020, 3:23 PM UTC

It would be nice to see more community events, activities, etc.

Tuesday, February 11, 2020, 3:22 PM UTC

We seem pretty land-locked housing-wise. I would suspect there will be more business on 27 into Alexandria. With the DAV leaving, something will need to be done with that space. I think for the most part the vibe of the city will remain the same.

Tuesday, February 11, 2020, 3:14 PM UTC

I fear the expansion. I think as the southern part of the county grows it will just become a pass through of restaurants and commercial businesses. It would be nice to see more local business opportunities and more natural places pop up like maybe a dog park or more nature trails

Tuesday, February 11, 2020, 3:01 PM UTC

Continue to focus on the youth. We need facilities and places for youth to gather safely.

Tuesday, February 11, 2020, 3:00 PM UTC

I would like to see it expand and have more options for families and more restaurants.

Tuesday, February 11, 2020, 2:50 PM UTC

US 27 growth, but keep neighborhoods quiet and infrastructure up to speed

Tuesday, February 11, 2020, 2:49 PM UTC

I would like to see Cold Spring hosting more and more family events, concerts, a gym for kids to play indoor sports. More of what we're already doing!

Tuesday, February 11, 2020, 2:45 PM UTC

I see the area across from La Rosa's developing. Perhaps the addition of a book store, a few nice restaurants, etc. No more gas stations or grocery stores. I'm pretty sure we're covered there. I'd like to see a few more parks added and some beautification projects. This is a critical time in our development to decide what the city will evolve into in the next 20 years. I envision Cold Spring to remain a safe and friendly place to live, but I see it growing exponentially into a larger, beautiful, active city that is still a great place to raise a family.

Tuesday, February 11, 2020, 2:45 PM UTC

Probably more restaurants, shopping, and areas for kids and families to play.

Tuesday, February 11, 2020, 2:36 PM UTC

Not sure

Tuesday, February 11, 2020, 2:34 PM UTC

Adding more kid friendly activities, sports are engaging and keep kids off drugs and on track with school work.

Tuesday, February 11, 2020, 2:30 PM UTC

Will become the preferred city of northern Kentucky because we understand the importance of family and our city has set a priority to give our children and family more facilities and activities to enjoy together

Tuesday, February 11, 2020, 2:29 PM UTC

It will grow

Tuesday, February 11, 2020, 2:28 PM UTC

I would love indoor basketball court or sports center.

Tuesday, February 11, 2020, 2:22 PM UTC

More recognizable businesses, restaurants.

Tuesday, February 11, 2020, 2:20 PM UTC

I would like to see growth and entertainment and sports oppurtunities.

Tuesday, February 11, 2020, 2:19 PM UTC

More growth, right now we have restaurants and some shopping, would love to see more of this and also build on options for entertainment and activities within the city.

Tuesday, February 11, 2020, 2:17 PM UTC

Continue dominance of Alexandria

Tuesday, February 11, 2020, 2:14 PM UTC

Hopefully changing as required to keep current with technology and changing asthetic tastes.

Tuesday, February 11, 2020, 2:09 PM UTC

growing with more homes

Tuesday, February 11, 2020, 2:06 PM UTC

Over population

Tuesday, February 11, 2020, 2:02 PM UTC

more parks, entertainment venues, better sports for kids

Tuesday, February 11, 2020, 1:51 PM UTC

It's developed a lot over the last few years. More family friendly activities.

Tuesday, February 11, 2020, 1:20 PM UTC

Growing with its location to downtown

Desirable place to live

Tuesday, February 11, 2020, 1:17 PM UTC

More things to do for kids

Tuesday, February 11, 2020, 12:57 PM UTC

Unfortunately more businesses and restaurants

Tuesday, February 11, 2020, 11:55 AM UTC

It's not going to change unless you attract more people to the city

Tuesday, February 11, 2020, 11:21 AM UTC

It will offer more and grow along with the community people ,Highland Heights and Alexandria.

Tuesday, February 11, 2020, 6:05 AM UTC

not much unless the boards get some young, new blood on the council to vote for more

Tuesday, February 11, 2020, 5:57 AM UTC

Growing in population, more business , more traffic, less green space (all things I do not like).

Tuesday, February 11, 2020, 4:12 AM UTC

More family focused, more things for the younger generation to do

Tuesday, February 11, 2020, 4:08 AM UTC

More commercialized

Tuesday, February 11, 2020, 4:05 AM UTC

More new housing and companies

Tuesday, February 11, 2020, 3:44 AM UTC

Getting larger and more populated

Tuesday, February 11, 2020, 3:29 AM UTC

Quality housing and schools. Excellent childcare

Tuesday, February 11, 2020, 3:22 AM UTC

I would hope that it doesn't. The growth in the south will cause major traffic issues. I'm sure the city will be built out by then which will cause taxes to go up.

Tuesday, February 11, 2020, 3:09 AM UTC

More apartments, more traffic, less identity if there aren't changes made

Tuesday, February 11, 2020, 2:53 AM UTC

With NKU expansion, I see opportunities to seize on an improving market.

Tuesday, February 11, 2020, 2:39 AM UTC

Retail development. Lots of speeding tickets.

Tuesday, February 11, 2020, 1:29 AM UTC

Upgrading with new younger families

Tuesday, February 11, 2020, 1:20 AM UTC

Becoming more populated

Tuesday, February 11, 2020, 1:02 AM UTC

Adapt the business to the times. More family friendly places

Tuesday, February 11, 2020, 12:49 AM UTC

I hope it does not grow too fast to plan for the increasing traffic. The businesses that move in need to represent the community, we need to be sure to preserve green space. I hope we have a city council that listens to its residents and a mayor that considers all the opinions on matters before making decisions.

Tuesday, February 11, 2020, 12:48 AM UTC

probably getting bigger

Monday, February 10, 2020, 10:25 PM UTC

continue to have nice parks, less new restaurants and housing

Monday, February 10, 2020, 10:01 PM UTC

I won't live that long!

Monday, February 10, 2020, 8:08 PM UTC

hopefully, well planned growth

Monday, February 10, 2020, 4:39 PM UTC

would love to see the number of restaurants to slow down. lots of new fast food recently. 27 becoming very busy

Monday, February 10, 2020, 3:58 PM UTC

Getting more traffic

Monday, February 10, 2020, 3:21 AM UTC

Not sure

Sunday, February 9, 2020, 10:21 PM UTC

I don't like what I am seeing now. The planning committee is trying to add new business that we don't need. This new water park area will only bring in more people, school groups, day cares, and more traffic.

Sunday, February 9, 2020, 9:32 PM UTC

Continued to bring businesses to our city and roads becoming undrivable.

Sunday, February 9, 2020, 8:36 PM UTC

Not

Sunday, February 9, 2020, 5:37 PM UTC

don't know

Sunday, February 9, 2020, 2:03 PM UTC

Just keep crime out and keep houses and business looking nice and inviting.

Sunday, February 9, 2020, 1:16 AM UTC

improvements to infrastructure

Saturday, February 8, 2020, 8:37 PM UTC

My wife and I have been residents for 30 years and I remember questioning my wife of 35 years, "Do we want to live out this far in the country?" It had a more rural feel to it when Rt.27 was winding through the center. There were not that many brand businesses back then. The widening and straightening of 27 along with the business growth gave the city a much better suburban feel which is the way it feels today. In the next 20 years I would expect more brand businesses. Perhaps someone will come up with light rail or other from Falmouth to Cincinnati. NKU will continue to grow as an education option which will increase attractiveness. Traffic on 27 from new subdivisions and development will increase and possibly become problematic. There could even be a bypass around CS, HH, SG, & FT.

Saturday, February 8, 2020, 7:09 PM UTC

It is a pretty nice place so I hate to think of change just for changes sake. I would prefer that we keep up with technology and keep the housing / business density on the low side.

Saturday, February 8, 2020, 6:19 PM UTC

Not too much hopefully! I miss my Cold Spring of 40 years ago. We have a lot of traffic on US27 now...you can't even cross the highway at the crosswalk. Someone is always wanting to go before you can get all the way across.

Saturday, February 8, 2020, 5:55 PM UTC

I would like to see more businesses coming in. Bellevue, Newport and Covington have boomed these past years largely in part of the walkability and restaurants coming into the town. Bikability and being able to walk places that offer people kid friendly things to go along with what adults want would be wonderful.

Saturday, February 8, 2020, 4:52 PM UTC

Hopefully staying rural. No big corps, industries, etc.

Saturday, February 8, 2020, 4:26 PM UTC

Getting more crowded

Saturday, February 8, 2020, 4:18 PM UTC

Us27 will not be able to handle the population growth. The AA highway will give way to new businesses & more traffic.

The secondary roads between us27 & AA will have to be improved .

Saturday, February 8, 2020, 4:12 PM UTC

More congested and a higher crime rate because of all the multiple housing units.

Saturday, February 8, 2020, 1:58 PM UTC

Rather it be continued to be a small community that is community minded with green space and place like when I visited my house before I bought where people would be talking walks on sidewalks and kids on bikes and local teams playing baseball or softball at the park and neighborhood can come watch ,a place where you can feel safe for me and my family

Saturday, February 8, 2020, 2:37 AM UTC

More traffic and a byproduct of NKU

Friday, February 7, 2020, 10:18 PM UTC

Technology

Friday, February 7, 2020, 9:07 PM UTC

Less country, more commercial.

Friday, February 7, 2020, 8:35 PM UTC

Growing

Friday, February 7, 2020, 8:22 PM UTC

Keeping up to date with Maintenance, streets, have a few events for families. I like it how it is.

Friday, February 7, 2020, 6:09 PM UTC

getting busier with traffic. That is a concern.

Friday, February 7, 2020, 4:29 PM UTC

more people moving in

Friday, February 7, 2020, 6:44 AM UTC

As a senior citizen who enjoys living here. I hope it does not out grow it's small town community feel

Friday, February 7, 2020, 4:36 AM UTC

I am concerned about US 27 becoming another high-traffic road like Dixie Hwy because if the many new businesses

Friday, February 7, 2020, 3:28 AM UTC

More businesses will likely come. More subdivisions. I fear that it will come overly populated much like Alexandria is headed today

Friday, February 7, 2020, 3:01 AM UTC

Hope to see the new park by Cracker Barrel.

Slow down building more so less traffic problems for the future.

Friday, February 7, 2020, 2:21 AM UTC

Growing

Friday, February 7, 2020, 1:59 AM UTC

More pass thru traffic
27 corridor developed

Friday, February 7, 2020, 12:40 AM UTC

Looking like Beechmont Ave.

Friday, February 7, 2020, 12:35 AM UTC

Up and coming and desirable

Thursday, February 6, 2020, 10:49 PM UTC

Too much congestion on US27.

Thursday, February 6, 2020, 10:22 PM UTC

I don't know

Thursday, February 6, 2020, 9:29 PM UTC

I don't know - I won't be here then! It may not change that much, but will more likely become a "through place" to get to Alexandria and all the development out there.

Thursday, February 6, 2020, 9:19 PM UTC

Not a lot...it's good as is.

Thursday, February 6, 2020, 9:18 PM UTC

I have always thought of Cold Spring as a little bit country...would not want it to become too commercialized

Thursday, February 6, 2020, 8:01 PM UTC

I would like to see more family fun!! The city does a lot of fun events during the year! I also would like to see updated parks!

Thursday, February 6, 2020, 7:53 PM UTC

More property value

Thursday, February 6, 2020, 7:50 PM UTC

Growing

Thursday, February 6, 2020, 7:17 PM UTC

see Dixie Highway

Thursday, February 6, 2020, 7:10 PM UTC

Slow steady growth focusing on aesthetics and services.

Thursday, February 6, 2020, 6:59 PM UTC

More industrial

Thursday, February 6, 2020, 6:59 PM UTC

More businesses i suppose.

Thursday, February 6, 2020, 5:44 PM UTC

As NKU continues to explode, there will probably be more housing growth, maybe more restaurants and entertainment venues.

Thursday, February 6, 2020, 4:22 PM UTC

merged with Highland Heights to create a powerhouse municipality

Thursday, February 6, 2020, 1:26 AM UTC

I don't know.

Thursday, February 6, 2020, 12:33 AM UTC

Housing prices dropping. turnover/empty stores, traffic gridlock due to growth of Alexandria, increasing crime

Wednesday, February 5, 2020, 9:26 PM UTC

If the current Mayor and city council are here in 20 years then the city wont change. When the mayor says that "we don't recruit business, they come to us" well Mr. Mayor, outside of fast food how is that growing the city?

Wednesday, February 5, 2020, 6:57 PM UTC

possibly annexing Crestview and other parts of the county, adding new businesses, adding more green spaces and parks

Wednesday, February 5, 2020, 5:49 PM UTC

Traffic nightmare.

Wednesday, February 5, 2020, 3:48 PM UTC

Higher taxes worse roads

Wednesday, February 5, 2020, 1:31 PM UTC

More traffic :(

Wednesday, February 5, 2020, 4:25 AM UTC

More stoplights on top of our poorly engendered intersections.

Wednesday, February 5, 2020, 2:46 AM UTC

The next Beechmont Avenue

Wednesday, February 5, 2020, 12:03 AM UTC

Businesses along 27 continue popping up and the commute from Cincy to Alexandria will double in time.

Tuesday, February 4, 2020, 9:49 PM UTC

More restaurants and shopping

Tuesday, February 4, 2020, 7:26 PM UTC

I don't.

Tuesday, February 4, 2020, 5:58 PM UTC

I am afraid it will be unable to handle traffic volume and I hope the condo development will have peaked long before 20 years has arrived. I'm worried because some of the changes I see now seem ill-thought.

Tuesday, February 4, 2020, 5:33 PM UTC

Hard to say. A lot will depend on elected officials.

Tuesday, February 4, 2020, 4:06 PM UTC

Cold Spring needs to utilize technology, look to the future rather than the past, keep an open mind.

Tuesday, February 4, 2020, 1:55 PM UTC

not good

Tuesday, February 4, 2020, 12:04 AM UTC

Steady growth

More restaurants

Monday, February 3, 2020, 10:59 PM UTC

Would like more green space, and less traffic along route 27.

Monday, February 3, 2020, 9:34 PM UTC

Too busy on Alexandria pike

Monday, February 3, 2020, 5:17 PM UTC

I am not sure, but I hope it doesn't get over-commercialized.

Monday, February 3, 2020, 3:01 PM UTC

hopefully staying safe and financially sound but depends on council and mayor

Monday, February 3, 2020, 2:14 PM UTC

What do these questions have to do with a new building?

Monday, February 3, 2020, 12:21 PM UTC

Be citizen drivin

Sunday, February 2, 2020, 10:08 PM UTC

I could see it having much more disc golf.

Sunday, February 2, 2020, 9:50 PM UTC

More traffic! Hopefully more parks and walking trails and a answer to the traffic.

Sunday, February 2, 2020, 8:08 PM UTC

more growth, especially along Hwy 27

Sunday, February 2, 2020, 5:55 PM UTC

Unsure

Sunday, February 2, 2020, 4:50 PM UTC

I hope it doesn't change very much. We don't need any more fast food or Dunkin Donuts-type businesses; we should leave as much green space as possible- the existing parks are nice, but they should NOT be the only free green spaces in Cold Spring.

Sunday, February 2, 2020, 4:33 PM UTC

Hopefully growing adding business but not with more Banks, gas stations and used car lots. We need restaurants so you don't have to drive to Beechmont/Cherry Grove or Florence.

Sunday, February 2, 2020, 4:08 PM UTC

I'm afraid that US 27 will turn into a Colerain Avenue as far as traffic unless there is some type of bypass built.

Sunday, February 2, 2020, 12:40 AM UTC

More diversity of housing and people , more local business and not chains ,

Sunday, February 2, 2020, 12:34 AM UTC

Yes it's growing like it should.

Saturday, February 1, 2020, 10:18 PM UTC

I would hope that within the next twenty years we will see growth in both internal and external growth.

Saturday, February 1, 2020, 10:12 PM UTC

I don't know - more business and residences = more traffic

Saturday, February 1, 2020, 9:44 PM UTC

more crap along the highway, denser housing, section 8 housing

Saturday, February 1, 2020, 8:06 PM UTC

more businesses and restaurants. NKU slowly creeping it's dorms and sorority and fraternities into the community

Saturday, February 1, 2020, 5:52 PM UTC

I guess because I'm getting older, I would like to think that it has something to offer the older generation.

Saturday, February 1, 2020, 5:47 PM UTC

hopefully can ease traffic on 27 and keep area spruced up (ex: there is an old church at top pf winters lane which is an eyesore)

Saturday, February 1, 2020, 4:33 PM UTC

more business, better parks, more home development

Saturday, February 1, 2020, 1:34 PM UTC

More shopping opportunities and housing opportunity

Saturday, February 1, 2020, 1:34 PM UTC

More businesses

Saturday, February 1, 2020, 1:11 PM UTC

I don't want to think about that! I hope our sewer systems work with all the condos & apartments in our area.

Saturday, February 1, 2020, 12:57 PM UTC

Enhancing schools, building thoughtfully and selectively to ensure traffic flow is well planned

Saturday, February 1, 2020, 12:32 PM UTC

We will continue to be a place people want to live because of our location and great educational options available to families.

Saturday, February 1, 2020, 3:18 AM UTC

Busy

Saturday, February 1, 2020, 2:54 AM UTC

More residents and development means a need to maintain cleanliness and grow public health and safety like police and amenities

Saturday, February 1, 2020, 2:20 AM UTC

It's kind of turning into Florence. I'd like for it to stay a clean, safe, family community. With some green space

Saturday, February 1, 2020, 2:11 AM UTC

More business along US 27 which in turn causes more traffic. Hopefully they have that figured out before 20 yrs. from now.

Saturday, February 1, 2020, 2:08 AM UTC

I hope it doesn't change much. I would like to see more diversity and cultural opportunities.

Saturday, February 1, 2020, 1:36 AM UTC

More crowded and traffic, more stores and restaurants.

Saturday, February 1, 2020, 1:35 AM UTC

More businesses

Saturday, February 1, 2020, 1:32 AM UTC

More commercial real estate. Less green space.

Saturday, February 1, 2020, 1:27 AM UTC

I'm afraid of what the traffic is going to become on 27

Friday, January 31, 2020, 6:57 PM UTC

Hopefully for the better and home values will increase if we can keep Cold Spring as an attractive place to live.

Friday, January 31, 2020, 6:41 PM UTC

Smart growth

Friday, January 31, 2020, 6:38 PM UTC

lot's more traffic on 27

Friday, January 31, 2020, 5:01 PM UTC

it's landlocked

Friday, January 31, 2020, 4:04 PM UTC

Growing too fast. Too many restaurants. Starting to look like Florence Mall area.

Friday, January 31, 2020, 2:38 PM UTC

Have no idea

Friday, January 31, 2020, 1:54 AM UTC

Getting bigger

Friday, January 31, 2020, 1:06 AM UTC

Probably large growth and the growing pains that accompany that.

Friday, January 31, 2020, 12:24 AM UTC

the population will increase at a slower pace

Thursday, January 30, 2020, 11:38 PM UTC

More traffic for certain. Hopefully not more urban.

Thursday, January 30, 2020, 10:35 PM UTC

It will be a land-locked community with very little if any residential growth. Depending upon the economy there will be many vacant commercial business fronts.

Thursday, January 30, 2020, 9:39 PM UTC

Hopefully getting new park behind restaurant open and in use

Thursday, January 30, 2020, 9:36 PM UTC

More business expansion and traffic pattern changes

Thursday, January 30, 2020, 8:54 PM UTC

Hopefully there will be improvements to US 27 to alleviate the traffic problems and less building.

Thursday, January 30, 2020, 8:36 PM UTC

growing

Thursday, January 30, 2020, 8:27 PM UTC

Too much commercial development

Thursday, January 30, 2020, 8:25 PM UTC

Adding more businesses, no more homes due to limited space. Homes along US 27 will give way to commerce

Thursday, January 30, 2020, 8:23 PM UTC

Hopefully from a quality of life standpoint there will be little change or at best, continued improvement.

Thursday, January 30, 2020, 7:38 PM UTC

Stay current, keep safety priority

Thursday, January 30, 2020, 7:37 PM UTC

A gas station at Krogers.

Thursday, January 30, 2020, 5:58 PM UTC

US 27 will be like Dixie Highway. Older Neighborhoods are starting to see a decline in property appearance/maintenance. Unless current city government changes the way it runs the city we are in trouble.

Thursday, January 30, 2020, 4:54 PM UTC

not much, except new generation of residents

Thursday, January 30, 2020, 4:50 PM UTC

Hopefully some more professional offices and less multifamily structures. Need to get back to a more involved P&Z

Thursday, January 30, 2020, 12:04 PM UTC

Unfortunately too many new businesses & more traffic

Thursday, January 30, 2020, 4:32 AM UTC

I think everyone can notice that the city is changing in a bad way, too many franchises on every corner. I would like us to life up small business. This place will turn into a beechmont ave. The thought of it is sickening, the beautiful part of why my family moved here 20 years ago was the simple kentucky feel outside of the city, i would hate to see that unique crossroad be drowned in monopoly money.

Thursday, January 30, 2020, 3:27 AM UTC

Update infrastructure

Thursday, January 30, 2020, 2:25 AM UTC

Kind of scary when you let HOAs controls certain neighborhoods

Thursday, January 30, 2020, 1:36 AM UTC

In 20 years Cold Spring will be landlocked with no future developments. It's time to stretch it boundaries before it's to late.

Thursday, January 30, 2020, 1:30 AM UTC

Development on the AA.

Thursday, January 30, 2020, 12:29 AM UTC

More growth. Without management, it could become too busy and over-run

Wednesday, January 29, 2020, 11:47 PM UTC

Hopefully not more traffic.

Wednesday, January 29, 2020, 10:41 PM UTC

Perhaps helping home owners with keeping their properties in good repair and their land cleared of rejected junk.

Wednesday, January 29, 2020, 9:42 PM UTC

hopefully not at all

Wednesday, January 29, 2020, 9:38 PM UTC

Hopefully not too crowded with buildings and empty business locations, but good, successful and desirable places to work, shop and enjoy.

Wednesday, January 29, 2020, 9:25 PM UTC

It will depend on the leadership of the city.

Wednesday, January 29, 2020, 9:15 PM UTC

More retail stores.

Wednesday, January 29, 2020, 9:12 PM UTC

More restaurants, more green space developed

Wednesday, January 29, 2020, 8:33 PM UTC

I hope it doesn't

Wednesday, January 29, 2020, 8:15 PM UTC

More businesses, homes, a lovely walking park around the pond

Wednesday, January 29, 2020, 7:57 PM UTC

Unsure. We will move if the AA is not improved with getting us safely in and out of Glenridge

Wednesday, January 29, 2020, 7:37 PM UTC

Growing, more restaurants, stores, etc

Wednesday, January 29, 2020, 7:16 PM UTC

Hopefully not at the expense of the character of the city like what is happening in Ft Thomas

Wednesday, January 29, 2020, 6:36 PM UTC

No congested

Wednesday, January 29, 2020, 6:35 PM UTC

More business and more new home construction

Wednesday, January 29, 2020, 6:22 PM UTC

Cold Spring has a MAJOR problem that it shares with Highland Heights and whose solution is largely outside their power to effect: TRAFFIC. The growth of Alexandria poses an existential threat to the livability of our town. We are cursed by geography with Campbell County narrowing the further north one goes so that we have only two north/ south traffic arteries (27 and AA Hwy). A recent Cold Spring newsletter pointed out that the number of cars traveling thru Cold Spring has grown by over 4,000 in the past 10-15 years and that will only increase. Add to that logistical problem the fact that the I-275/ AA Hwy interchange is one of the most poorly designed interchanges in the country only exacerbates our traffic problem. Finally, the state rerouting KY 8 from alongside the river removes at least a partial option for traffic improvement from our solution set. The traffic problem will continue to worsen until it kills Cold Spring and then property values will begin falling dramatically. People do not like to live in an area where they are forced to sit in traffic.

Wednesday, January 29, 2020, 6:13 PM UTC

If we don't do more planning, just condos and random businesses. Please put some thought into what the end result of Cold Spring should be!

Wednesday, January 29, 2020, 5:44 PM UTC

More traffic from developments outside of the city limits.

Wednesday, January 29, 2020, 5:34 PM UTC

Hopefully more family friendly with activity based opportunities.

Wednesday, January 29, 2020, 5:32 PM UTC

Do not want too much expansion, but some growth

Wednesday, January 29, 2020, 5:19 PM UTC

I do not know, I am in my 80s, and I will not be around in 20 years.

Wednesday, January 29, 2020, 4:42 PM UTC

The US 27 corridor will continue to grow and develop as a business district. I'm afraid it will look a lot like Florence, KY and US 42.

Wednesday, January 29, 2020, 4:37 PM UTC

Continuing to improve

Wednesday, January 29, 2020, 4:35 PM UTC

Growth growth and more traffic

Wednesday, January 29, 2020, 3:50 PM UTC

I'd like to see old neglected houses (along US 27 next to Panara bread). be purchased by the city. The land could be used as a park. This plan would help the city look so much better

Wednesday, January 29, 2020, 2:40 PM UTC

Getting divided by increased traffic on 27. Turning into Mall Rd/Beechmont Ave/Colerain Ave

Wednesday, January 29, 2020, 1:18 PM UTC

I imagine population growth will be a factor in the future as well as increasing diversity within the area. Spaces that foster the entire community have the potential to minimize some of the challenges that have met other communities in the same scenario.

Wednesday, January 29, 2020, 1:02 PM UTC

I expect it to be busier and definitely more populated and businesses booming.

Wednesday, January 29, 2020, 10:33 AM UTC

More businesses, traffic problems

Wednesday, January 29, 2020, 4:41 AM UTC

Managing traffic

Wednesday, January 29, 2020, 3:54 AM UTC

More development on 27

Wednesday, January 29, 2020, 3:05 AM UTC

Through thoughtful planning we could be a great area to offer more amenities to keep family friendly entertainment here in cold spring

Wednesday, January 29, 2020, 1:34 AM UTC

Hopefully the US 27 corridor is redesigned and abandoned buildings and empty lots are sold for building desirable places to go to.

Wednesday, January 29, 2020, 12:33 AM UTC

More housing

Wednesday, January 29, 2020, 12:28 AM UTC

It appears to be more concerned about businesses than residential areas. So a Beechmont Avenue is in the near future

Tuesday, January 28, 2020, 11:13 PM UTC

Growth, hopefully with a positive experience for the city people and make a town that offers more options with restaurants and shopping but still keeping the small town feel

Tuesday, January 28, 2020, 10:19 PM UTC

It's really hard to tell, especially with 27 dividing the city more & more. It's only walk-able in your own neighborhood/community. I feel like it's going to become more divided, but I do like seeing more businesses coming in to the community.

Tuesday, January 28, 2020, 10:11 PM UTC

hopefully they will bring some business into the city that the residents will frequent for years to come, not a fad

Tuesday, January 28, 2020, 9:26 PM UTC

More businesses. Locally owned and nationally. Less dead store space. A large community center for residents to use and with bigger activity centers for local children.

Tuesday, January 28, 2020, 8:49 PM UTC

Becoming busier, especially AA and 27

Tuesday, January 28, 2020, 8:41 PM UTC

I'm afraid it is heading in the wrong direction. The commercialization off 27 is not helping this opinion. Restrictions should be put in place that enhance the community before it is too late.

Tuesday, January 28, 2020, 8:34 PM UTC

Hopefully expansive economic growth and building of shops, industry or medical facilities. Cold Spring needs to attract people who are buying homes in Alexandria

Tuesday, January 28, 2020, 8:28 PM UTC

Hard question- the appearance of properties have declined over the past couple years. Seems the city is headed for a Dixie Highway appearance.

Tuesday, January 28, 2020, 8:03 PM UTC

Hopefully we are not a commuter pass through for Alexandria.

Tuesday, January 28, 2020, 7:33 PM UTC

I would foresee a few more business coming locating in Cold Spring. I would see a large multi-unit residential development completed. I would also foresee US 27 becoming a lot more congested like Beechmont Ave or Colerain Ave.

Tuesday, January 28, 2020, 7:21 PM UTC

Love to see parks or family friendly environments grow

Tuesday, January 28, 2020, 7:05 PM UTC

Unfortunately, another Beechmont Avenue, losing its individuality like Forest Hills and Cherry Grove.

Tuesday, January 28, 2020, 6:39 PM UTC

Hopefully better infrastructure & fewer chain restaurants. I hope it's a lively place to live.

Tuesday, January 28, 2020, 6:39 PM UTC

Continue to grow with families, business booming

Tuesday, January 28, 2020, 6:28 PM UTC

More restaurants

More community amenities

Tuesday, January 28, 2020, 6:26 PM UTC

Lots of restaurants and safer roads

Tuesday, January 28, 2020, 6:11 PM UTC

Unfortunately becoming over populated.

Tuesday, January 28, 2020, 6:01 PM UTC

More commercial businesses opening to serve residents and visitors. More housing options. Improved educational opportunities. Retaining the clean, cozy feel of a small town.

My concern is that the drug rehab center will bring down property values and bring an unwelcome element to a small neighborhood, including increased emergency vehicles on a neighborhood street where children play.

Tuesday, January 28, 2020, 5:44 PM UTC

I would like to see more restaurants like Olive Garden or private restaurants and also a Costco or Sams Club. I'd also like to see the 275 exit off the AA Highway to be cleaned up and "beautified."

Tuesday, January 28, 2020, 5:03 PM UTC

I'm not interested in sticking around if we continue to grow and inundate or infrastructure. I've lived here all my life and the city is morphing and growing which has the opportunity to be wonderful and complimentary to heritage or it can drive out the history and replace it with a culture that strangles a base that can't keep up with increasing property taxes. Id rather not see it lose its heritage and smaller town vibe.

Tuesday, January 28, 2020, 4:06 PM UTC

A few more businesses coming in. Some leaving because the rents are too high.

Tuesday, January 28, 2020, 3:55 PM UTC

Running out of room in 27 corridor for large business opportunities. Need for larger industrial business to help tax base. Additional large housing divisions clogging 27 making travel nightmare.

Tuesday, January 28, 2020, 3:21 PM UTC
Cautiously.

Q10 10. What amenities would you like to see the City offer its inhabitants?

Tuesday, February 18, 2020, 9:07 AM UTC

More Walking trails , health sessions eg

Monday, February 17, 2020, 11:20 PM UTC

possibly more variety of shopping (example Hobby Lobby, Bed Bath & Beyond etc

Monday, February 17, 2020, 11:56 AM UTC

Nice parks that don't take over 2 years to complete, like the one behind the Cracker Barrel. What an embarrassment. I live in Granite Spring and I watched the pond go from beautiful and peaceful, to bare, surrounded by rocks, then caution tape and signs. There has been very little attempt to complete anything. Not even one tiny section of sidewalk. If this represents how the city gets things done, the thought of other projects is a little unappealing. Maybe you should work on finishing one before starting another.

Monday, February 17, 2020, 9:08 AM UTC

Cheaper taxes, more restaurant's

Monday, February 17, 2020, 9:05 AM UTC

Civic center

Sunday, February 16, 2020, 11:04 PM UTC

Great parks

Sunday, February 16, 2020, 10:16 PM UTC

Nothing. We have enough

Sunday, February 16, 2020, 4:04 PM UTC

More outreach.

Sunday, February 16, 2020, 3:29 PM UTC

We already have nice parks for the size that we are. We don't need more buildings that will increase our taxes. Add on to the city building if you want more. The attraction of this city is that it is a darling, mid size homey city.

Sunday, February 16, 2020, 3:28 PM UTC

Being dog people, we would love to see a dog park created that would serve the city and surrounding areas. Of course, this will bring more traffic to local businesses when people outside the city come here for this public facility. The public is more and more, becoming avid animal owners and lovers. They spend more and more time and money on their pets. Should the city decide to have a dog park, it needs to be done properly and maintained well. Ft Thomas made the mistake of putting their dog park on a hillside and it is not properly maintained. Many people I know stopped using the facility for those reasons.

Sunday, February 16, 2020, 1:06 PM UTC

More safe walking trails and parks.

Saturday, February 15, 2020, 4:50 PM UTC

Weekend programme for kids

Saturday, February 15, 2020, 12:19 PM UTC

A dog park

Friday, February 14, 2020, 8:53 PM UTC

Easier walkability - with sidewalks; An outside park/event center that is easy to walk to by residents and free events/concerts, etc. (similar to Ft Thomas' offerings to their residents in the summer)

Friday, February 14, 2020, 7:59 PM UTC

Useable park space (more than green space and ball fields).
Some type of city center- point of focus for the city.

Friday, February 14, 2020, 2:47 PM UTC

More walking trails or dog parks.

Friday, February 14, 2020, 10:58 AM UTC

Recreation center. Dog park, community park and pool.

Thursday, February 13, 2020, 9:26 PM UTC

Entertainment district & restaurant district in a walkable area. Very visible police presence throughout the city. Increased contact between police department & its citizenry. More transparency between city government and citizens with regularly updated website and social media to better reflect 21st century use of technology.

Thursday, February 13, 2020, 9:23 PM UTC

I don't need the city to offer me any more amenities. Keep the parks we currently have clean, keep the roads maintained, and the crime low. If the people in the community want a place to go they should get together to create a space. Don't take my money to do it.

Thursday, February 13, 2020, 8:33 PM UTC

Community athletic center. Water park.

Thursday, February 13, 2020, 8:28 PM UTC

Thursday, February 13, 2020, 12:31 AM UTC

More sidewalks and trees

Wednesday, February 12, 2020, 11:42 PM UTC

The new lake park is great. No need for new rec center.

Wednesday, February 12, 2020, 8:20 PM UTC

A community center with a basketball court, baseball field, more soccer fields and a pool for the community.

Kids splash park

Wednesday, February 12, 2020, 3:37 PM UTC

Multi purpose facility - rec center, gym, activities center. Bike paths, bike lanes. Farmer's market with later hours (over dinner hours, more prepared food vendors?).

Wednesday, February 12, 2020, 2:25 PM UTC

Community Center/Rec Center, some sort of entertainment place. Just something small but the kids need a place. Especially with Reka in Alexandria closing, there's nothing else to do unless they go to Wilder.

Wednesday, February 12, 2020, 11:18 AM UTC

Recreational events ... more along the lines of what Ft Thomas offers to residents.

Wednesday, February 12, 2020, 6:17 AM UTC

Wednesday, February 12, 2020, 4:19 AM UTC

Better choice in restaurants. Recreational activities for our children.

Wednesday, February 12, 2020, 3:59 AM UTC

Family friendly events and activities. I love all of the events that the city has been doing for the citizens: Easter egg hunt, christmas festival, fall festival, etc. we try to attend all of them but sometimes schedules conflict and we can't... maybe creating an outdoor venue where concerts or other events could be hosted. I know we would certainly attend.

Parks, and PICKLEBALL COURTS. If you want to create interest and visitation, install 20 Pickleball ONLY courts with nice amenities (lights, restrooms, shade, concessions) and watch what happens. You will not be able to keep people away. This facility was built on the campus of a small college in Punta Gorda, FL. It is 100% utilized for events, tournaments, open community play: <https://www.pickleplex.org/>

Health center, sports center. A place where exercise and health are promoted.

Tuesday, February 11, 2020, 3:22 PM UTC

Tuesday, February 11, 2020, 2:50 PM UTC

more city events, clean up days and/or dumpster available to city residents.

Tuesday, February 11, 2020, 2:49 PM UTC

A gym for kids to play indoor sports, concert venues, family friendly entertainment.

Tuesday, February 11, 2020, 2:45 PM UTC

Perhaps access to a public pool would be something to consider. I will say with a name like Cold Spring, I feel like you should see water somewhere when you drive through the city. I'm picturing a small lake where people can fish and walk/exercise that has a playground. The Alexandria Community Park is always busy. Would love to see something like that here.

Just a random thought--we were once known for our drive-in theater. Would LOVE to see something like that come back! We need something that other cities don't have in abundance. Again, efforts would need to be made to keep it safe and family-friendly, while also being the perfect place for date night.

Tuesday, February 11, 2020, 2:45 PM UTC

Something like a large community pool, water splash area for toddlers. Areas for sports, track and exercise with a park, shelter and picnic areas.

Tuesday, February 11, 2020, 2:36 PM UTC

Horse back riding trails and more shopping

Tuesday, February 11, 2020, 2:34 PM UTC

A Swimming pool, indoor track, kid friendly facilities.

Tuesday, February 11, 2020, 2:30 PM UTC

Indoor gym facilities, more recreation facilities dedicated for indoor sports (basketball, soccer, etc...) and venues to host family-friendly events like concerts

Tuesday, February 11, 2020, 2:29 PM UTC

A gym with basketball courts, soccer fields, and concert venue

Tuesday, February 11, 2020, 2:28 PM UTC

answered last page, but sports center/indoor basketball court

Tuesday, February 11, 2020, 2:20 PM UTC

Concert Arenas, Sports Complexes

Tuesday, February 11, 2020, 2:19 PM UTC

more places for activities and entertainment.

Tuesday, February 11, 2020, 2:17 PM UTC

It really needs a community center with basketball courts

Tuesday, February 11, 2020, 2:14 PM UTC

Expanded outdoor activities would be great. Hiking options during warmer months, maybe a pool for kids and families.

Tuesday, February 11, 2020, 2:09 PM UTC

A recreation center, preferable with an indoor gym

Tuesday, February 11, 2020, 2:06 PM UTC

No comment

Tuesday, February 11, 2020, 2:02 PM UTC

Splash park

Tuesday, February 11, 2020, 11:55 AM UTC

A place for kids to enjoy summer. A safe place for kids to walk bike to like for Thomas. Right now it's not safe for kids to get around- there are no sidewalks on the busy highway, pit bulls are aloud in the city where as other city's/counties they are not so they move them to our town.

Tuesday, February 11, 2020, 11:41 AM UTC

More family friendly indoor and outdoor facilities and activities

Tuesday, February 11, 2020, 11:21 AM UTC

Recreation and retail.

Tuesday, February 11, 2020, 6:05 AM UTC

Tennis Courts, a park that has a dog park attached, community pool or club, basketball courts, more small business, flags along streets that say Cold Spring, like in Fort Mitchell, Anderson, and other areas. Starbucks with a drive-thru, sandwich shop, a gym, bike riding lanes, and a park that has a labeled distance on a track.

Tuesday, February 11, 2020, 5:57 AM UTC

Large park for kids of all ages, water features at the park (spray park), sheltered picnic areas

Tuesday, February 11, 2020, 4:12 AM UTC

A traffic light on the AA in front of the Glenridge neighborhood.

Tuesday, February 11, 2020, 1:02 AM UTC

Updated parks

Tuesday, February 11, 2020, 12:49 AM UTC

I like the activities that are planned. I think we could use more summer band/food truck opportunities with a variety of bands. I do like the community room being able to be rented for a nominal fee.

Tuesday, February 11, 2020, 12:48 AM UTC

We think they offer pretty many now!

Tuesday, February 11, 2020, 12:46 AM UTC

Parks with nice restrooms that have restroom access year round. Bike paths

Monday, February 10, 2020, 4:39 PM UTC

Monday, February 10, 2020, 3:21 AM UTC

Restaurants, retail, activity center, park, splash park/swim center, playground, basketball court

Sunday, February 9, 2020, 10:21 PM UTC

I would like better control of the people and truckers who run the red light at the top of 1998 daily. I was almost hit by a semi who ran the light to turn onto 1998 and I had the greenlight to turn left but he cut me off. After the semi went through the green light turned yellow already.

I do not want any more restaurants or development to come in to Cold Springs.

Sunday, February 9, 2020, 9:32 PM UTC

I like the city as it is. Adding a large whatever raises taxes

Sunday, February 9, 2020, 8:36 PM UTC

Police that actually patrol the streets

Sunday, February 9, 2020, 5:37 PM UTC

I would love it if we someday had an Olive Garden restaurant and a Hallmark card store.

Sunday, February 9, 2020, 2:03 PM UTC

Something fun for families. We have enough food type businesses. I feel starting to see more of business along 27 than homes.

Sunday, February 9, 2020, 1:16 AM UTC

expanded parks and rec

Saturday, February 8, 2020, 8:44 PM UTC

Outdoor membership pool. Indoor activities. Putt putt , rock wall, trampolines, indoor basketball, batting cage. Indoor play areas for children. Open ended play areas with building and creating. STEAM activities.

Saturday, February 8, 2020, 8:37 PM UTC

I think city offered amenities increase expenses which then lead to higher taxes. The municipal responsibilities remain within the confines of infrastructure maintenance and improvements, law enforcement, fire and life safety, monitoring and responding to other government agency overreach & interaction, real estate development through zoning and having a city vision, & utility interaction and monitoring. Public facilities like parks, dog parks, ball fields, pools, add expense which need to be covered by taxes.

Saturday, February 8, 2020, 8:32 PM UTC

Membership outdoor pool

Saturday, February 8, 2020, 7:09 PM UTC

Amenities should be technology related such as communication. It would be great if the city would promote private development of fine restaurants as well as celebration / entertainment venues.

Saturday, February 8, 2020, 6:19 PM UTC

We have nice parks; the city recreation tries to do family friendly events; I don't need anything except lower taxes.

Saturday, February 8, 2020, 5:55 PM UTC

It would be great to use some land to build a city pool along with unique restaurants (think OTR restaurants or COV like Braxton or Agave and Rye). Something southgate had was leaf pickup. This was amazing. You put all your leaves at the street and the city sucked them up. I couldn't believe with the amount of trees we have in CS the city doesn't already do that.

Saturday, February 8, 2020, 4:52 PM UTC

More public events

Bigger park

Saturday, February 8, 2020, 4:26 PM UTC

A dog park would be nice. I have to go to ft. Thomas.

I would like a civic center with things to do.

Friday, February 7, 2020, 4:29 PM UTC

Friday, February 7, 2020, 6:44 AM UTC

For me personally I don't need more things, but I understand that young family's want more recreation for their children

Friday, February 7, 2020, 4:36 AM UTC

Friday, February 7, 2020, 3:28 AM UTC

I don't know

Thursday, February 6, 2020, 9:18 PM UTC

Strong police and fire department.....good schools....good medical facilities....good roads....community lakes.....activities for the young and old....

Updated park, theater, more movie in the park/concerts, etc

Thursday, February 6, 2020, 8:01 PM UTC

POOL!!!! Aquatic center!!

Thursday, February 6, 2020, 7:17 PM UTC

Open the park around the lake, allow residents to fish if they want to. Take some of the land around the city building a create a dog park. I can't even let my dog run in this city. I have to take her to Ft. Thomas. I've met many others at the FT. Thomas dog park who would love to see a dog park built in our city.

Thursday, February 6, 2020, 7:10 PM UTC

Continue development of parks, events, places to eat and socialize.

Thursday, February 6, 2020, 6:59 PM UTC

Thursday, February 6, 2020, 5:44 PM UTC

All upscale communities (eg. Mason, Blue Ash, Ohio) have recreation centers, with pools. I would like to see a recreation center with a pool in Cold Spring. I currently belong (paid membership) to Anderson Mercy Healthplex and do many activities (water and land) there.

How about a city or community pool at this new civic center.

Wednesday, February 5, 2020, 6:57 PM UTC

splash water park for children, a dog park, more utilization of the land surrounding the city building, an event center, flowers and/or plants provided by the city along US 27 passing through Cold Spring and seasonal flags in addition to the American flags on the poles (especially Christmas) and a city-wide garage sale like Ft. More frequent options to discard hazardous substances, such as paint, regular batteries, document shredding, etc. The once a year notifications for discarding paint and other substances either arrives after the date or too soon to the date that other plans ,make it impossible to attend.

Updated park play sets.

More rent-able shelters and party halls/Rooms 100 people or less.

Bike trails.

Sunday, February 2, 2020, 4:08 PM UTC

Hiring a curb cleaning company to clean up the streets in Cold Spring. Mainly included would be 27 even though it's not a road that we maintain. It is a road that we all see everyday on our travels and a road all visitors see when they come into town. Also build up the parks with walking trails. Even if that includes buying more land to provide that. All of the open land left in the City won't be there in the future.

Sunday, February 2, 2020, 12:40 AM UTC

Local business , better park / green space - walk / run place

Sunday, February 2, 2020, 12:34 AM UTC

More restaurants and stores. Recreation center would be nice.

Saturday, February 1, 2020, 10:18 PM UTC

Cleaner resources! That may call for larger taxes but in order to have road care and better resources, raise what money I'd coming in. I understand that in order for us to grow, money has to come from somewhere.

Saturday, February 1, 2020, 9:44 PM UTC

walking paths that connect across US 27

Saturday, February 1, 2020, 8:06 PM UTC

Gym. Easy accessible walking trails and bike paths to restaurants and businesses.

Parks, free or reduced price fitness classes, indoor activities for the winter

Saturday, February 1, 2020, 12:32 PM UTC

Major concern of pension system for state and cost on our city budget.

Saturday, February 1, 2020, 12:15 PM UTC

nice water pad park

Saturday, February 1, 2020, 3:18 AM UTC

Finding a family restaurant to come to Cold Spring..

Better traffic flow along US 27.

Saturday, February 1, 2020, 2:08 AM UTC

Nothing comes to mind

Friday, January 31, 2020, 6:38 PM UTC

a place seniors could be transported to for gatherings, events. A gym which could be used by the residents, more walking trails

Friday, January 31, 2020, 5:01 PM UTC

it's ok now

Friday, January 31, 2020, 4:04 PM UTC

More retail development.

Friday, January 31, 2020, 5:41 AM UTC

Rock wall

More wooded parks

Friday, January 31, 2020, 1:06 AM UTC

This is no doubt a silly thing, but I would love to see more outside dining in the community. I am pleased to see the new Panera has that.

Friday, January 31, 2020, 12:24 AM UTC

Already has sufficient amenities with the completion of lake park and other park upgrades.

Doesn't need a new civic center/rec. center...the are already rec, centers galore with many failing. Use those of schools, churches, firehouses etc. or private that have an abundant vacancy. Do not compete and create a larger underutilization of present local venues that count on this revenue to remain viable.

Thursday, January 30, 2020, 11:38 PM UTC

Community space, nice parks, entertainment, family activities

Thursday, January 30, 2020, 10:35 PM UTC

Additional City services such as leaf disposal, some type of an ongoing recreational program for youth, would like to see the traffic problem dealt with. I do understand that US 27 is a state highway; however, the people in Cold Spring need to speak up and start controlling the traffic flows.

Thursday, January 30, 2020, 9:39 PM UTC

As an older adult, I am happy the way it is.

Thursday, January 30, 2020, 9:36 PM UTC

More parks, not just soccer or baseball fields. Places where people can hike or ride a bike. Perhaps connect a bike trail to a larger system.

Thursday, January 30, 2020, 8:54 PM UTC

Updated playgrounds for children, events hall.

Thursday, January 30, 2020, 8:36 PM UTC

Thursday, January 30, 2020, 4:54 PM UTC

Thursday, January 30, 2020, 12:04 PM UTC

We have plenty already.

Thursday, January 30, 2020, 4:32 AM UTC

development of existing or new hiking trails, a community farm, a 24 hour work space, things that people can use to enjoy life, outside of work or spending money at a new restaurant.

Thursday, January 30, 2020, 3:43 AM UTC

Better restaurants

Thursday, January 30, 2020, 2:25 AM UTC

A city pool/ fitness center. Similar to Evandale's would be awesome.

Thursday, January 30, 2020, 1:30 AM UTC

Basketball courts

Community pool

Thursday, January 30, 2020, 12:29 AM UTC

Athletic and arts complex for community use.

Wednesday, January 29, 2020, 11:47 PM UTC

It would be great to have a microbrewery like Alexandria. As well as more dining and shopping options.

Wednesday, January 29, 2020, 10:41 PM UTC

Library, which Cold Spring already has a branch. Perhaps the towns of Campbell County could help its libraries with funding for more digital books.

Incentives to help house owners with keeping their homes and land in good repair. Incentives to get property owners to remove discarded junk.

Wednesday, January 29, 2020, 9:42 PM UTC

satisfied with current ones

Wednesday, January 29, 2020, 9:38 PM UTC

Dog park, swimming/rec center with reasonable cost to residents.

Wednesday, January 29, 2020, 7:57 PM UTC

Safety to get out of our neighborhood. We shouldn't have to ask for this

Wednesday, January 29, 2020, 7:37 PM UTC

A larger community room to rent (hold up to 120 or 150 people) and maybe a public pool.

Wednesday, January 29, 2020, 7:16 PM UTC

Fishing at Barth park. A disc golf course. Services for seniors

Wednesday, January 29, 2020, 6:36 PM UTC

More parks and green space. Sidewalks

Wednesday, January 29, 2020, 6:35 PM UTC

Replacement of city sidewalks, enforcement of code violation, more night time activities.

Wednesday, January 29, 2020, 6:22 PM UTC

The city does a very good job in the set of services and entertainment offerings it provides to the residents. Our attention needs to focus on the traffic problem else there will be little need for amenities as people will flee the city.

Wednesday, January 29, 2020, 6:13 PM UTC

Safe Sidewalks along Route 27. Better parks, more planned green space. Slow down the condos and make businesses put up nicer building. Stop skipping over streets to incorporate. Clean up that area with the odd jewelry store (Diamond Exchange)

Wednesday, January 29, 2020, 5:44 PM UTC

More adult activities, adult continuing education classes — some fun, some educational, and in the evening for those that work.

Wednesday, January 29, 2020, 5:34 PM UTC

Indoor/outdoor pool with basketball and other sports open to public. Updated playgrounds...activities and opportunities to have discount days at business and such

Wednesday, January 29, 2020, 5:32 PM UTC

The lake and walking path will be very good. It is fine the way it is. Keep up the good work.

Wednesday, January 29, 2020, 5:19 PM UTC

I never thought about this....

Wednesday, January 29, 2020, 4:42 PM UTC

Bicycle lanes on the streets and a dog park.

Wednesday, January 29, 2020, 4:37 PM UTC

Wednesday, January 29, 2020, 4:35 PM UTC

More parks, continued police presence , clean up streets and other areas

Wednesday, January 29, 2020, 3:50 PM UTC

Not sure. My husband and I often talk about how Cold Spring has changed through the years since we came here to work in the school system . we made this our home after leaving college 50 years ago! It's a nice place to call home.

Wednesday, January 29, 2020, 2:40 PM UTC

Low taxes, small government

Wednesday, January 29, 2020, 1:18 PM UTC

Wednesday, January 29, 2020, 2:10 AM UTC

I can't really think of any we don't have that I want

Wednesday, January 29, 2020, 1:34 AM UTC

How about being creative and offer shops, enforce blight and eye sores, and give the residents something to be proud of. Why should we have to go to Florence, Newport, Crestview Town Center or Beechmont to go shopping or entertainment.

City council and Planning and Zoning need to be creative and look at surrounding states and cities to make Cold Spring the jewel of Campbell County.

Wednesday, January 29, 2020, 12:33 AM UTC

More trails and places to run or ride a bike. A local bar.

Wednesday, January 29, 2020, 12:28 AM UTC

Family friendly events, the pesticide signs on city property makes it unattractive for family activities. Public pool, indoor walking area. The ball fields and playgrounds were top notch not long ago but the quality of both areas have declined rapidly.

Tuesday, January 28, 2020, 11:13 PM UTC

Similar to fort Thomas with the events at tower park. The events that the city have put on in the past is not near the level what they could be. Something that can bring in outside people to enjoy some of our amenities while creating another source of income to the city budget effectively reducing taxes within the city.

Tuesday, January 28, 2020, 10:19 PM UTC

I would LOVE to see a middle school and highschool in Cold Spring. I realize that this isn't necc. part of the survey, but wanted to take the time to state it. We're far removed from the schools in Alexandria, and a big part of community is built around the schools.

Tuesday, January 28, 2020, 10:11 PM UTC

more police officer to patrol the too crowded US 27!!! something for young and old alike to share

Tuesday, January 28, 2020, 9:26 PM UTC

Water park, sports centers, event space

Tuesday, January 28, 2020, 8:49 PM UTC

More sit down restaurants

Tuesday, January 28, 2020, 8:34 PM UTC

Shopping with major stores located here, popular restaurants, medical facilities like Outpatient center associated with a hospital, make US 27 safer

Tuesday, January 28, 2020, 8:28 PM UTC

More kid friendly events, pet park, activities that don't include the use of alcohol, more officer interaction with the youth, better open door policies within all city offices, better response to emails and phone calls from the mayor.

Tuesday, January 28, 2020, 8:03 PM UTC

Think different instead of just putting up a run of the mill playground. Something unique.

Tuesday, January 28, 2020, 7:33 PM UTC

Google financed broadband 5G or above Internet Service. A Summer monthly music concert scheduled to not conflict with other cities music concerts (like Blue Ash, Lawrenceburg, Fairfield, Union Towne Center, Liberty Center ...).

Tuesday, January 28, 2020, 7:25 PM UTC

Would love to see a swimming pool

Tuesday, January 28, 2020, 7:21 PM UTC

larger parks, new larger playgrounds, more family friendly hangouts

Tuesday, January 28, 2020, 7:05 PM UTC

We need safe crossings, overpass walkways for 27. From Friendship Park to the new lake park would be ideal. Secondly we need brush and leaf pickup twice in the Fall. And lastly a separate amnesty program for non working appliances, paints, solvents, etc. Florence is ridiculous.

Tuesday, January 28, 2020, 6:39 PM UTC

Activities at the parks. A parade! A better farmers market. An indoor place to take kids to play (think Defy or Jump Zone).

Tuesday, January 28, 2020, 6:39 PM UTC

Rec center with outdoor pool options

Tuesday, January 28, 2020, 6:28 PM UTC

We already have a great park system but adding things to do at the parks would nice. Skate park, splash park.

Tuesday, January 28, 2020, 6:26 PM UTC

Safer roads, more activites

Tuesday, January 28, 2020, 6:11 PM UTC

Tuesday, January 28, 2020, 6:01 PM UTC

Tuesday, January 28, 2020, 5:03 PM UTC

farmers market, community garden co-op, community center, more events at city building property - even fee based events

Tuesday, January 28, 2020, 4:06 PM UTC

I don't know.

Tuesday, January 28, 2020, 3:55 PM UTC

More restaurants.

Tuesday, January 28, 2020, 3:53 PM UTC

I love reading about the various activities offered, especially for families with children. We haven't participated in any event yet as we already go out with friends.

We did make use of the county clean up event and I just notified yesterday in a recent city mailer that there is another clean up event coming up in a few months. This is tremendously helpful, and I hope the city strongly advertises these kind of events and encourages residents to make use of this instead of allowing discarded items to sit around their properties.

If there is a way to have a community gathering with music every-other Friday night or live theater during the warm months once a month we could encourage people to either stay in the city for a Friday night instead of drive out of town to do things. Food trucks or local church organizations could be brought in to serve food and drinks

Friday, February 14, 2020, 10:58 AM UTC

Recreational center, dog park

Thursday, February 13, 2020, 9:26 PM UTC

Yes. Music events reflecting diverse local and national musical acts (e.g., smooth jazz, contemporary, bluegrass, acoustic, oldies, symphony-type). Small theater-type shows (e.g., musicals). Comedy events.

Thursday, February 13, 2020, 9:23 PM UTC

Maybe events for learning about gardening or maintaining a nice looking house? I just don't want it to be tax payer funded, if people want to have community events they should be taken care of by the participants.

Perhaps Shakespeare in the Park since we have a lovely park behind the City building. Or some classical music concerts provided by Northern Kentucky Symphony. What about a community play put on by the City? What about a kids' art show like Mayor Stoeber had for several years that was so popular.

Tuesday, January 28, 2020, 11:13 PM UTC

I would support bringing back the fishing derby. As someone who has lived in the city for all of my life, that event is the one that brings back the most memories. I would also support the addition of a battle of the bands type of event with bands that all age groups would listen to. Maybe craft beer or different breweries that can showcase their products with a bunch of food trucks and vendors in addition

Tuesday, January 28, 2020, 10:19 PM UTC

Not off the top of my head.

Tuesday, January 28, 2020, 10:11 PM UTC

Q13 13. Which would you rather see built as a new building at the City Center?

Answered: 356 **Unanswered:** 24

Choice	Total
<div></div> Civic Center (no gymnasium)	50
<div></div> Recreation Center (with gymnasium)	111
<div></div> Combination of both	195

Q14 14. What rooms and spaces would you like to see in a new center?

Tuesday, February 18, 2020, 9:07 AM UTC

Make a gymnasium multi purpose eg have a movie night in the winter. Rooms where people can meet. Both small, <10 and >20. A place people can gather for clubs. Tables, Electric and internet available so kids could meet and game together. The chairs should be comfortable and have arms so older folks can get out of them .

Sunday, February 16, 2020, 4:04 PM UTC

Exercise rooms.

Sunday, February 16, 2020, 3:29 PM UTC

A gym is expensive and there are plenty of school gyms people can rent already. Too much money to maintain and it is duplicating a service available elsewhere.

Event room for community events (e.g. overflow city government meetings, charity events, pet adoption events, father/daughter dances, social events such as weddings, birthdays, etc). Small rooms with lots of light for yoga classes, meditation classes. Virtual reality playroom to attract younger families seeking time together.

Thursday, February 13, 2020, 9:23 PM UTC

We don't need a new center. Don't steal my money so that you can feel better about yourself. If you want to have community together place then do it yourself, I do not understand why people feel the need to confiscate other peoples possessions for their own desires.

Tuesday, February 11, 2020, 3:00 PM UTC

Areas for working out, areas to host parties. The gym is the biggest thing. Most of our basketball teams that don't have practice times at schools go to the Alexandria Community center. That's a lot of money from Cold Spring going to Alexandria

This survey did not ask if we would rather not see a civic center built. That leaves out a possible crucial response to what a resident would like to see for Cold Spring. If the civic center is for government offices (Police, Fire, City works w/garage shop, Mayor, Council) then I am for investigating the needs. Building designs change with introduction of better materials, the need for increased level of security (Emergency management both man-caused events or weather). If your definition of Civic center includes parks, pools, etc. then NO - I do not think a Civic Center is necessary.

Saturday, February 8, 2020, 8:32 PM UTC

A space for open ended art. A space for classes. A space for parties.

Q15 15. Depending upon functionality of building how often do you think you would use the facility?

It depends on what is offered. We always try to participate in Cold Spring events as long as it isn't overly crowded, where parking and getting around would be difficult. Activities for the kids would be nice, particularly during breaks from school.

I think you answered the question, depends on the functionality of the proposed building, which I have not heard anything about.

Thursday, February 13, 2020, 1:18 AM UTC

It depends on whether the gym would have open use times or if it will be parceled out to bigger groups all of the time. Same for all of the rooms, really. I could see homeschoolers really benefitting from this sort of space if they were allowed to use it. Campbell County homeschoolers have to drive so much to be able to participate in activities. It would be great to have space options close to home.

Q17 17. Based upon your response above – what would make you feel safer?

Tuesday, February 18, 2020, 9:07 AM UTC

More residential street lights

Monday, February 17, 2020, 11:20 PM UTC

Nothing I can suggest. From what I see there is great patrolling of my area (Granite Sorings)

Monday, February 17, 2020, 11:56 AM UTC

If people would stop running red lights.

Monday, February 17, 2020, 9:08 AM UTC

No problem ☐

Monday, February 17, 2020, 2:24 AM UTC

More police presence, we see it at summer

Sunday, February 16, 2020, 10:16 PM UTC

Less traffic! People driving while NOT on their phones.

Sunday, February 16, 2020, 3:29 PM UTC

The police do a good job I think. One thing is speed bumps on certain residential streets. Crime is in certain areas of the city, work on that.

Sunday, February 16, 2020, 3:28 PM UTC

I do feel safe here, but nowhere can we feel 100% safe.

I live off Poole's Creek Road and there are no sidewalks to be able to walk and get exercise. Would like to see more sidewalks.

Friday, February 14, 2020, 2:47 PM UTC

Wider US27 with more lighting and walking areas.

Friday, February 14, 2020, 10:58 AM UTC

I personally would like to get a security system for my house. For when we're gone.

Thursday, February 13, 2020, 9:26 PM UTC

More police presence in communities (e.g., patrols, community watch meetings). Up-to-date crime statistics on city website about arrests, burglaries, drug seizures, other criminal activities currently taking place within city limits. Good luck trying to find any of this information on current city website or social media. More patrols on AA Highway which have greatly been reduced under current administration.

Thursday, February 13, 2020, 9:23 PM UTC

I am afraid that the local government will make it undesirable to live here anymore.

I don't feel unsafe in Cold Spring. That is the main reason we moved here with a young family. I would feel safer walking to local businesses and parks if we could get sidewalks and stoplights at the south end of Alexandria Pike. When I was a kid, one of my rights of passage was walking to the store to buy something for my mom. I would not let my child walk to Kroger here. I'm too afraid of him getting hit by cars driving too fast down Alexandria Pike and no safe way to cross a street.

Wednesday, February 12, 2020, 3:46 PM UTC

Wednesday, February 12, 2020, 3:37 PM UTC

Bike paths/bike lanes - our roads are dangerous for cycling. Because it's dangerous to ride on the road, cyclists often move to the sidewalks where available which creates an additional hazard. Add sidewalks along 27 south to Crossroads (lots of pedestrian traffic on the shoulders).

Wednesday, February 12, 2020, 2:25 PM UTC

I don't know that there is much more that can be done. If someone has bad intentions they will find a way, unfortunately. I am confident that the police do everything in their power to keep our families out of harms way.

I rated a 10/10. I considered making it a 9/10 only due to some of the break ins to cars but ultimately that doesn't make the city a scary place to live in. That will occur no matter where you live.

Tuesday, February 11, 2020, 3:14 PM UTC

Several years ago our Granite Springs community was destroyed and the person was never caught. That was very upsetting. Mailboxes were torn down and the sign at the front of the neighborhood was damaged. More recently our tires were slashed in our driveway. They never caught that person either. Those two events were very surprising to me to happen in such a great community. I would feel safer knowing that the people that did those things were caught and punished instead of just getting away with it.

In both instances we had to deal with the damage ourselves

Tuesday, February 11, 2020, 3:01 PM UTC

I'm happy with where we are.

Tuesday, February 11, 2020, 3:00 PM UTC

I think the city does a great job

Tuesday, February 11, 2020, 2:50 PM UTC

ring door bell partnership with police, more police interaction/community policing, more public view cameras

Tuesday, February 11, 2020, 2:49 PM UTC

Better cross walks and side walks bicycle lanes.

Tuesday, February 11, 2020, 2:45 PM UTC

I feel very safe here. But we must stay focused on keeping it safe amidst all of the growth and development. We don't want to lose that small town feeling. Our law enforcement does a wonderful job. I am very happy to see them watching the school zone in the morning. Would like to see more enforcement of the school zone limits in the afternoon. There are only a few streets I wouldn't feel safe walking down at night by myself, but for the most part, this really feels like a safe area. Let's please keep it that way.

decrease in drug activity in entire city/county

Saturday, February 8, 2020, 8:37 PM UTC

Our rating of 8 is not a reflection of the quality of the police department. We want to be clear on that. It is a reflection of the outside forces that create crime. The drug problem in Campbell County or anywhere creates crimes of opportunity because the perpetrator is looking for "fix" money. Route 27 is an asset and also a liability. Criminals can quickly get into and out of the city. In 30 years of living in the Sturbridge subdivision, we have never personally experienced any crime.

The first dip near the top of Winters lane is too dark at night. The streetlight is too far past the dip. This dip area has sort of blind driveways and the speed is 20 which no one abides by it and that's where they speed up. Even the school buses do 30mph at that dip.

I doubt there really is anything that can. It's the world. I once had someone just walk in my front door without knocking and start raging - he was drunk and didn't know where he was. But since then, I always lock my front door. I have always had the police respond quickly to my 911 calls when I really needed help.

Safer sidewalks, speed limits being followed, not enabling drug recovery centers in the area

Thursday, February 6, 2020, 8:01 PM UTC

Honestly, this has nothing to do with safety but maybe if I write it here someone will help but cops in school zones. Everyday passing down 27 in a school zone cars are flying past me. I know kids don't usually walk home but it's frustrating to get flipped off when following the law. I'm sure this won't change but we will see if you all read these.

Thursday, February 6, 2020, 7:50 PM UTC

Speeding in the neighborhoods cut down

Thursday, February 6, 2020, 7:17 PM UTC

Police patrolling 1998 and pulling over 18 wheelers that ignore speed limits and people who attempt to pass in the emergency lane around residents attempting to make a left hand turn into west orchard. I'd also like to see the police hand out tickets for people running red lights. This has become a real issue particularly at the tip of 1998 and US27.

Thursday, February 6, 2020, 7:10 PM UTC

Reduce traffic, speeding, and unsafe driving on 27 which is difficult because it's not always our residents that cause problems.

Thursday, February 6, 2020, 6:59 PM UTC

No addiction.

Thursday, February 6, 2020, 6:59 PM UTC

can't predict what people are walking around

Thursday, February 6, 2020, 5:44 PM UTC

Nothing. I feel safe here, but weird things occasionally happen everywhere.

Thursday, February 6, 2020, 4:22 PM UTC

I think it is foolish for anyone to feel completely safe and not assume some responsibility for you own safety. I'm not sure teh city could do anything. I think the police are doing a great job.

Thursday, February 6, 2020, 1:26 AM UTC

More police patrolling the neighborhoods

Thursday, February 6, 2020, 12:33 AM UTC

More officers

Wednesday, February 5, 2020, 9:26 PM UTC

how about bike patrols in the summer so we can get to know the officers on a personal level. Also, how about patrolling school zones...I always see the same officer making stops

Wednesday, February 5, 2020, 6:57 PM UTC

more police presence on residential streets

Wednesday, February 5, 2020, 5:49 PM UTC

Very scary driving on US 27.

Wednesday, February 5, 2020, 3:48 PM UTC

More police being seen

Wednesday, February 5, 2020, 1:31 PM UTC

Signs posted warning of cameras/surveillance being utilized. To help with theft and drug activity.

Wednesday, February 5, 2020, 4:25 AM UTC

Better engineered intersections and less blind spots like turning off Murnan Rd. The police do fine work. The traffic on 27 is the only thing that I have an issue with.

Wednesday, February 5, 2020, 2:46 AM UTC

I believe the city is safe.

Tuesday, February 4, 2020, 9:49 PM UTC

More cop presence

Tuesday, February 4, 2020, 5:33 PM UTC

Something being done about those breaking the speed limit on US 27 - especially tractor trailers.

Tuesday, February 4, 2020, 4:06 PM UTC

I think the police department does a great job of making a presence in the community. I don't think they can do anything better given the number of officers and the size of the city.

Tuesday, February 4, 2020, 3:20 PM UTC

good lighting

Tuesday, February 4, 2020, 1:55 PM UTC

more patrols in all parts of city and better enforcement of traffic lights

Monday, February 3, 2020, 10:59 PM UTC

Continue police patrols. They're doing a great job.

Monday, February 3, 2020, 9:34 PM UTC

Nothing is ever 100%

Monday, February 3, 2020, 5:17 PM UTC

I just think one should always be diligent - my response was not intended as a strike against the City.

Although ... I don't understand why we don't have someone manning the police station 24/7. Or, at least a more simplified way of connecting with local law enforcement than what is in place currently for "off hours". We had a non-life-threatening situation we tried to call the Cold Spring police at around 9:00 PM on a Friday or Saturday evening. Got a recording listing the hours of operation, and a different number to call. This was very frustrating. Why can't a call to the local number automatically be transferred to a person answering the phone if it is off-hours?

Monday, February 3, 2020, 3:01 PM UTC

see police in neighborhoods more and not sitting on AA in the middle of the road

Monday, February 3, 2020, 2:14 PM UTC

Neighborhood watch programs. Improve traffic control, traffic enforcements in neighborhoods, Cold Spring draws more traffic due to all the new eatery's in the city.

Sunday, February 2, 2020, 10:08 PM UTC

More disc golfers protecting our parks.

Sunday, February 2, 2020, 8:08 PM UTC

more police presence in the evening, after dark

Sunday, February 2, 2020, 6:23 PM UTC

More police drive bys

Sunday, February 2, 2020, 5:55 PM UTC

Seeing the officers in my neighborhood community for their routine checks in their cruisers and also talking to the citizens directly on everyday items.

Sunday, February 2, 2020, 4:50 PM UTC

if the police would actually patrol my street. I know for a fact that they do not, but for extremely rare occasions.

Sunday, February 2, 2020, 4:33 PM UTC

People not driving over the speed limit on US 27, people not allowed on cell phones while driving. Nothing you can do about inconsiderate people. Lower the speed limit to 35 maybe then people will drive 45 mph. Have police give tickets to everyone going 5 mph over the limit or on phones. You would need to increase the police force tenfold and that's not reasonable or doable.

Sunday, February 2, 2020, 4:08 PM UTC

In the world we live in today you could never be 100% safe anymore. I feel we live in one of the safest places now as a whole.

Sunday, February 2, 2020, 12:40 AM UTC

I feel safe for most part ... traffic in double aa and getting our if my lane is becoming more and more difficult ... and traffic volume from Alexandria is a challenge and Driving issues over last 5 years or so

Sunday, February 2, 2020, 12:34 AM UTC

Hire more Police officers

Saturday, February 1, 2020, 10:18 PM UTC

I don't really think the city is responsible for what needs to be improved. However, classes on helping the citizen's in improving safety measures would help the community. Maybe open up a safety seminar would help. Heck, that would be another use for a Community Center.

Saturday, February 1, 2020, 9:44 PM UTC

no more dense housing no transients

Saturday, February 1, 2020, 8:06 PM UTC

Bicycle cops and events where we have the opportunity to meet our local police officers

Saturday, February 1, 2020, 5:52 PM UTC

I feel very safe and think our policemen are always visible. You should never feel 100

I feel very safe, but if you think you are 100% safe from all harm, then you are not being careful or realistic.

Saturday, February 1, 2020, 5:47 PM UTC

giving out big fines when dogs are off leash (it scares me when dogs run up to me when I'm walking in neighborhood)

Saturday, February 1, 2020, 4:33 PM UTC

Saturday, February 1, 2020, 1:34 PM UTC

More police patrol

Saturday, February 1, 2020, 1:11 PM UTC

Less traffic

Saturday, February 1, 2020, 12:57 PM UTC

Minimum low income housing, visible police

Saturday, February 1, 2020, 12:32 PM UTC

Obviously the more you see a police presence but that comes with cost and not sure that is needed yetm.
Pretty safe place

Saturday, February 1, 2020, 12:15 PM UTC

More police present hardly come down our street unless someone goes on vacation and they had called to to have their house checked on

Saturday, February 1, 2020, 3:18 AM UTC

Again I think it's a traffic issue. With the additional development in Alexandria....it's going to get worse.

Saturday, February 1, 2020, 2:20 AM UTC

I think the city does a great job making us feel safe. But no matter where we go I try to be on the look out.
It's a crazy world

Saturday, February 1, 2020, 2:11 AM UTC

Not sure that anything would make me feel safer. I feel fairly safe in Cold Spring.

Saturday, February 1, 2020, 2:08 AM UTC

I feel totally safe.

Saturday, February 1, 2020, 1:36 AM UTC

Less traffic, better lights

Saturday, February 1, 2020, 1:35 AM UTC

Friday, January 31, 2020, 4:04 PM UTC

The Police have been very responsive but more of a presence on the streets.

Friday, January 31, 2020, 2:38 PM UTC

Increased drug enforcement and drug treatment.

Friday, January 31, 2020, 5:41 AM UTC

There's a lot of red light runners and not a lot of street lights on the roads, so I don't feel very comfortable driving after night

Friday, January 31, 2020, 1:06 AM UTC

Better street lighting.

Friday, January 31, 2020, 12:24 AM UTC

Keeping a large dog with a dislike for criminals.

Thursday, January 30, 2020, 11:38 PM UTC

Only unsafe factor is traffic.

Thursday, January 30, 2020, 10:35 PM UTC

I think City could look into a canine unit considering the mixed space between City and county. City does not have a homicide cop/chief. City could work harder on community policing programs so the policemen could get to know the residents - and the residents the officers by name.

Thursday, January 30, 2020, 9:39 PM UTC

Don't know

Thursday, January 30, 2020, 9:36 PM UTC

Eliminate all drug related crime in Campbell County

Thursday, January 30, 2020, 8:54 PM UTC

Nothing, really.

Thursday, January 30, 2020, 8:36 PM UTC

more police presence

Thursday, January 30, 2020, 8:27 PM UTC

I am concerned that we have rental property on our street in the Glenridge subdivision. This is single family owned housing. The rental property has devalued our properties.

Thursday, January 30, 2020, 8:25 PM UTC

Restrictions on felons/sexual assault offenders moving in

Thursday, January 30, 2020, 8:23 PM UTC

Thursday, January 30, 2020, 5:58 PM UTC

More residential patrols and speeding devices.

Thursday, January 30, 2020, 4:50 PM UTC

Thursday, January 30, 2020, 12:04 PM UTC

I feel quite comfortable and safe with no real things to note to make it safer.

Wednesday, January 29, 2020, 9:42 PM UTC

better regulation of traffic on the AA . trucks are everyday offenders

Wednesday, January 29, 2020, 9:38 PM UTC

Possibly ore law enforcement officers

Wednesday, January 29, 2020, 9:25 PM UTC

More police presence in residential areas. Communities that have removed no parking on street signs should not be permitted to do so and should be forced to replace them.

Wednesday, January 29, 2020, 9:15 PM UTC

More, better trained police officers.

Wednesday, January 29, 2020, 9:12 PM UTC

Continued police presence; security overseeing parking lots like in grocery stores, Walmart, etc.

Wednesday, January 29, 2020, 8:33 PM UTC

Keeping thing the way they are

Providing residents of glenridge a way to get in and out of our neighborhood safely from/to the AA

Wednesday, January 29, 2020, 7:37 PM UTC

Thought I answered 10. I feel very safe.

Wednesday, January 29, 2020, 6:22 PM UTC

Well I hate beating a dead horse but relieving traffic congestion and, not the first time you've heard this, but the Glenridge entrance off AA Highway.

Wednesday, January 29, 2020, 6:13 PM UTC

Our cars in Sturbridge constantly get people rummaging and stealing every time someone forgets to lock. Doesn't always get reported but happens often.

A lower your speed sign on Dodsworth Lane. Similar to the sign on East Alexandria Pike.

Wednesday, January 29, 2020, 4:35 PM UTC

Stoplight at AA and glen ridge

Wednesday, January 29, 2020, 3:50 PM UTC

Visibility of local police . They do a good job in school zones

Wednesday, January 29, 2020, 2:40 PM UTC

Enforcement of running red lights. Those that commute through our city are only concerned with getting there quickly and not the safety or respect of our city

Wednesday, January 29, 2020, 1:18 PM UTC

Wednesday, January 29, 2020, 2:10 AM UTC

A couple of street lights in my neighborhood (Madonna estates)

Wednesday, January 29, 2020, 1:34 AM UTC

More police presence on US 27...holy cow hire more officers rather than build a civic center

Wednesday, January 29, 2020, 12:33 AM UTC

Neighborhood watch committee.

Wednesday, January 29, 2020, 12:28 AM UTC

Better speed control in neighborhoods. More neighborhood patrols. In the last 2 months I have seen Fort Thomas police taking care of a accident by PNC bank. I've also noticed the County police taking radar in city limits. I thought the city was fully staffed.

Tuesday, January 28, 2020, 11:13 PM UTC

More police presence in the neighborhood. Growing up I would see the police patrolling the streets multiple times a day. Now I only see them driving around in the neighborhood once a week at most. I see the police sitting on 27 much more than in the neighborhoods

Tuesday, January 28, 2020, 10:19 PM UTC

I feel very safe here, but the traffic on 27 does make me nervous for my kids. Would be amazing to put some sort of walking bridge or tunnel to help safely cross 27.

Tuesday, January 28, 2020, 10:11 PM UTC

police patrolling the problem areas.....such as the traffic lights on US 27 that people continue to run.....quit sitting in parks patrolling a stop sign.....the red light running and school zone ignorance is going to get someone killed

Tuesday, January 28, 2020, 9:26 PM UTC

My main safety concern is all the recent car break ins.

Tuesday, January 28, 2020, 8:49 PM UTC

More police patrolling

Tuesday, January 28, 2020, 8:41 PM UTC

N/a

Tuesday, January 28, 2020, 8:34 PM UTC

Speeding in school zones is terrible and people running red lights. I know that the police are busy and maybe even understaffed, but what will it take to slow down speeders, another fatality? Hats off to Officer Hildebrandt as he seems to be the only officer stopping cars.

Tuesday, January 28, 2020, 8:28 PM UTC

Less traffic head aches, red lights are ignored throughout the city along with stop signs. Speeding in all areas of the city. Example-E Alexandria Pike is 20 miles per hour which rarely happens. Residential areas is posted 15 miles per hour which early happens. More visible office patrolling neighborhoods.

Tuesday, January 28, 2020, 7:33 PM UTC

Less traffic.

Tuesday, January 28, 2020, 7:25 PM UTC

No speeders...if I had small children our streets are dangerous...folks don't stop at stop signs and speed along neighborhood streets

Tuesday, January 28, 2020, 7:21 PM UTC

I think there is always a small since of fear in the world. I don't know what I would ask to be changed. I live in a subdivision and I see police actively patrolling and I really appreciate that!

Tuesday, January 28, 2020, 7:05 PM UTC

Neighborhood watch meetings and designation. If there is one already I am unaware and have lived here going on 5 years, so the communication may need updated.

Tuesday, January 28, 2020, 6:39 PM UTC

More police that drive through the neighborhoods & busy shopping centers.

Tuesday, January 28, 2020, 6:39 PM UTC

I feel very safe as it is. Always welcome more drive throughs of the neighborhoods from the police department.

Tuesday, January 28, 2020, 5:44 PM UTC

I think we have a good police presence

Tuesday, January 28, 2020, 5:03 PM UTC

Develop a plan for residence to smartly, quickly enact a neighborhood watch. The no know stickers we use to have made it easy to identify when folks were going door to door without having a permit to do so.

Tuesday, January 28, 2020, 4:06 PM UTC

A stop sign on Madona at Louis Circle. People actually stopping at stop signs instead of rolling thru them or ignoring them altogether. People actually going the posted speed limit.

Tuesday, January 28, 2020, 3:55 PM UTC

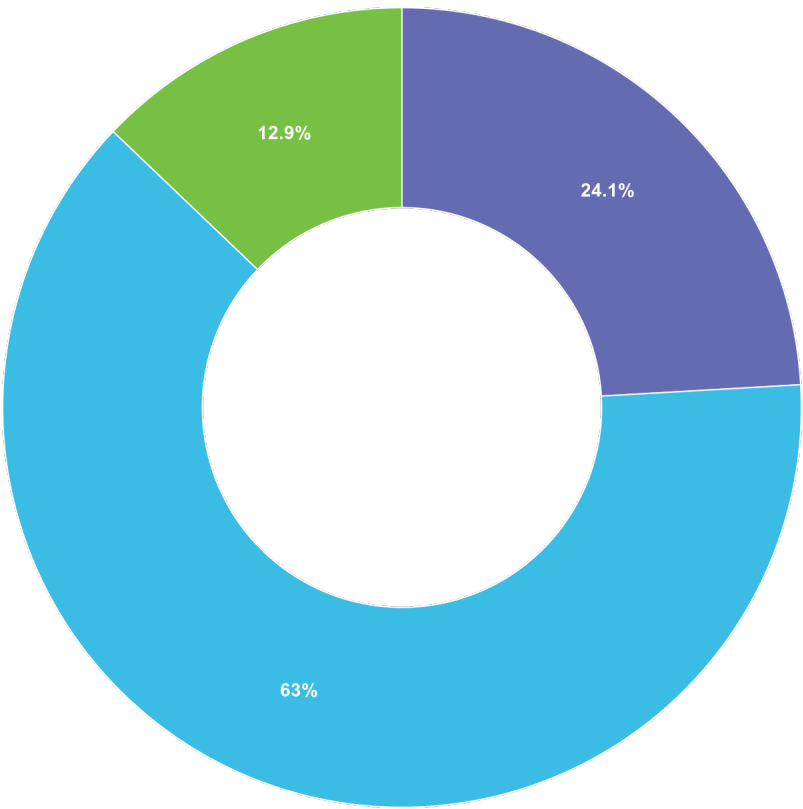

No opinion.

Tuesday, January 28, 2020, 3:21 PM UTC

We have an excellent police department and the fire station is nearby. Our mayor and council do a great job maintaining the safety of our city. As we grow I'm sure the city will add the necessary personnel to keep our city safe.

Maybe offer free popcorn and a movie night at the park, but really advertise it. I feel like we probably have some really awesome things going on, but no one knows about them. I would love to be involved in marketing and be part of your brainstorming team!

Q20 20. How could the city help foster a sense of community?

Tuesday, February 18, 2020, 9:07 AM UTC

Events with a purpose eg fundraiser for dog park

Monday, February 17, 2020, 11:56 AM UTC

Make the city look nice, and maybe worry less about how many restaurants and other buildings we have. Finish projects in a timely manner so we actually use and enjoy them. If you are going to keep adding restaurants and buildings, make the area more walkable anesthetically appealing.

Have an entertainment district where people can walk throughout the year. The city is building a lake park but it's only useful certain months of the year. City government needs to have meetings each month. A city growing in size should have things to discuss each month without cancelling meetings for up to 3 months at a time in some cases. A Get-to-know your city government officials event other than just occasional Coffee with the Mayor. Use streaming video to conduct real-time transmission of city council meetings rather than having to physically be in the room. If businesses in the 21st century do video conferences for business meetings, why isn't the city doing something similar for its meetings?

Thursday, February 13, 2020, 9:23 PM UTC

Governments do not build community, community is not made up of governmental bureaucracy.
Community is build by people, so take it upon yourselves as citizens to talk to your neighbors, to help each other in need, to make your places of communal gathering.

If there were an event space, be it a walking neighborhood with a food scene, or events at the Lake Park. Maybe a 4th of July parade? Some reason for everyone to come out and gather .

Thursday, February 13, 2020, 12:42 AM UTC

A lot of people who live here have been here for years and their families before them. I moved from Cincinnati to Cold Spring 16 years ago. I find the people very friendly and nice. But I don't know my neighbors. Most of my neighbors know each other from their churches. That is their common bond. I don't attend church and do not wish to attend church. I am married but we have no children. There is no niche for us. I don't know how a sense of community can be fostered, when family and faith are so prominent in people's lives. I envy them, but that is not me. Nonetheless, I love living here in Cold Spring.

Tuesday, February 11, 2020, 6:27 PM UTC

My perception is that Cold Spring has the basics in place. Good roads/walk-ways, parks, friendly citizens. It might be time to go to the next level and invest in a Rec/Gym/Splash Park that would excite citizens and draw more people to the City.

Tuesday, February 11, 2020, 6:01 PM UTC

Build A park have a concert at the park.

Tuesday, February 11, 2020, 5:24 PM UTC

create a Cold Spring 'front porch'.

Tuesday, February 11, 2020, 4:59 PM UTC

Opening a rec center would be a step in the right direction. You would need to hire a full time rec director/ city manager to help make it successful. I would budget around 60-80K for this position, plus benefits.

Again, show members of the community that we care by getting involved. Have benefits, host clean-up and beautification projects. Get a local landscaping business involved, helping them grow with free advertising. There's really so much we can do! Think of all the kids that have to go to school early and stay after school for hours until a parent gets home from work. I bet there is something we could come up with for them, like an activity center or something that gets local businesses involved. I know Paint and Bake would come and let them paint pottery. There's so much more we could do! Our schools are awesome! Let's really take them to the next level and show our kids we care! They are the future of this community.

Having city events are helpful but the key is getting people out to them. I don't have that answer. I think people like a smaller setting sometimes, like game nights, movie nights, but then again, we don't have small kids and probably would go to a movie night. Maybe have smaller events more often instead of the bigger once a year type things where you are trying to get the whole community there. Start small, get people interested then word will spread.

Sunday, February 9, 2020, 2:03 PM UTC

To be honest. The city council members could get along better. It's not a competition, they were voted in for the same reason. The community has to feel they but its decisions in a good group of people. We have already everything in city you need on a daily basis, just make a little fun activities community can do with friends.

Saturday, February 8, 2020, 8:37 PM UTC

Its through the first responders, and particularly the police. We drive in and out of Cold Spring. We occasionally see public works trucks or the fire department but its the police that are always visible. Having an officer wave (which is very common for CSPD) lets us know our city is seeing us.

I am not big on social media but my wife follows the various platforms. This is a great way to keep the residents connected. She learns a lot about whats happening in CS through social media.

Reward residents that are noticed doing good deeds. Helping others, picking up trash, helping neighbors, patriotic flagpoles or manicured yards, volunteering at schools (public or private). List the recipient's names in the city newsletter.

This won't happen but the one thing we lack is a fairly walkable "downtown. US 27 can't serve as that due to traffic volume. The East Alexandria Pike area (around the City Bldg) would be PERFECT for this but unfortunately the County placed a school there years ago that precludes the development of a community of small shops and restaurants. So, we are hamstrung again by geography and existing development.

Do the police have a bike patrol? In Ohio our police rode bikes in our subdivisions and everyone knew our police by name and they knew us, particularly the kids.

I know this might sound crazy, but one way to know everyone in Madeira is to show up to the Swim Club or community pool. There has to be land to build a community pool so the people of Cold Spring could come and meet and swim from May they September. Just an idea

Tuesday, January 28, 2020, 8:28 PM UTC

More newsletters, better communication, more transparency of city business. For example this notice has given less than a 2 week notice to the citizens. I'm sure there are snowbirds who would like input.

Tuesday, January 28, 2020, 7:33 PM UTC

I guess I am not one to ask -- nothing big comes to my mind. Keep trying the things the Mayor and City Council and various City Departments are currently doing.

Tuesday, January 28, 2020, 7:21 PM UTC

a place to congregate

Tuesday, January 28, 2020, 7:05 PM UTC

Be available. Continue public events. Offer safety classes through fire and police departments. Maybe start home economic and simple car or home repair "seminars" led by retired folks or volunteers of the community. I would volunteer for that a few days.

Tuesday, January 28, 2020, 6:39 PM UTC

Would love to have volunteer opportunities for teens in which they could help the local community.

Tuesday, January 28, 2020, 6:28 PM UTC

Not sure

Tuesday, January 28, 2020, 6:01 PM UTC

A rec center is a great way to do this. Yoga classes and book clubs, for example, are great ways to meet like-minded individuals.

Tuesday, January 28, 2020, 5:03 PM UTC

be a part of the solution - provide learning sessions to community - find a way to offer food - people will come for free food (its crazy)

Tuesday, January 28, 2020, 4:06 PM UTC

Asking members of the community what they want & or feel about various issues/things & then doing something about it.

Stop building things! It's bumper to bumper traffic no matter what time of day you're out! It takes almost 15 mins to get from 471 to Barleycorns after work. It's insane

Sunday, February 16, 2020, 3:29 PM UTC

Keep our city small hometown feeling! Ditch the 400K homes, keep churches thriving, keep up the fantastic lake the city aquired, keep things cheap to keep taxes down please!

Sunday, February 16, 2020, 2:00 AM UTC

Keep the city small, friendly, keep out low income housing, get rid of Davjo Drive area. Build bigger, nicer houses to keep up property value. Cold Spring can be a little like Ft Thomas if we keep priorities in order.

Thursday, February 13, 2020, 9:26 PM UTC

Who EXACTLY is the expected target audience for this civic/rec center? Who are you trying to attract to this facility? There's no demographic question in this survey to determine the breakdown of suggestions by age group. Whatever design is created, use materials and building methods that make sense with ongoing climate changes. Storms in this area particularly during spring/summer are getting stronger in winds and rain. Facility needs to be strong and designed properly for next 20-40 years of stronger and more potent storms. How much is this going to cost city taxpayers for future maintenance, upkeep, utilities, etc.? How are these expenses getting paid? Increased taxes? Rental fees? Event ticket fees? Combination thereof? Can current city staff properly maintain and support such a facility or does city need to hire additional employees resulting in increased future annual budget expenditures? Is the police department facility going to adequately address police business needs for 21st century crime over the next 10-20 years with potentially having to hire more officers? Will citizens get to review and provide input on design during various stages of project PRIOR to final decisions? How often? Remember...this is a COMMUNITY project. ALL citizens are the customer not just the city officials.

Thursday, February 13, 2020, 9:23 PM UTC

If you build this building by stealing from the hard earned wages of your fellow citizens then you are not a community, you are just a government.

Consider the total impact on citizens when building all of these restaurants, between Cracker Barrel and Panera Bread the traffic for people who live in Granite Springs is terrible. Cracker Barrel needs to do something about the entrance on Buning Lane, people turn right onto Bunning from US 27 then back up traffic trying to turn left into Cracker Barrel, when that could have drive 10 more yards and made a right turn directly into Cracker Barrel.

Wednesday, February 12, 2020, 1:18 AM UTC

You must work from ground up to accommodate all these problems. And good luck to you all. You are running 100 plus yr old residents out of their home to make room for implants...Thank you city of Cold Spring hope your Happy with your Busy, crime populated future! Have Fun . A splash park and rec center for families to use would be an asset to our community

Tuesday, February 11, 2020, 11:21 AM UTC

This community is open to growth and change

Tuesday, February 11, 2020, 6:05 AM UTC

outdoor pool, tennis courts, bike trails, fitness classes at center,

Tuesday, February 11, 2020, 5:57 AM UTC

Tuesday, February 11, 2020, 4:12 AM UTC

Would like more family owned businesses rather than franchises. Give back to the community

Tuesday, February 11, 2020, 4:08 AM UTC

Dog park and tennis courts would be nice

Tuesday, February 11, 2020, 3:44 AM UTC

For the planned community center i would like to see some sort or architectural statement. Something very open and unique. I would also like to see a zero carbon footprint structure.

Tuesday, February 11, 2020, 3:29 AM UTC

Place police station closer to the road. Not adjacent to Walnut Hills Academy

Tuesday, February 11, 2020, 2:53 AM UTC

Tuesday, February 11, 2020, 12:49 AM UTC

Communicate the potential cost early so people can decide if this is worth it. Describe what you envision the new center including so residents can make informed decisions on its importance.

Tuesday, February 11, 2020, 12:48 AM UTC

We would like to know where you are thinking of building the new center...

How much we are going to be involved in financing it....

Who is pushing for it and where is the need for it coming from...

Tuesday, February 11, 2020, 12:46 AM UTC

We are very happy with everything the City has to offer.

Monday, February 10, 2020, 10:01 PM UTC

City needs to follow up on communication when residents are told someone will take care of complaints.

Sunday, February 9, 2020, 10:21 PM UTC

I don't think we need to spend all this money on a new Civic center.

Sunday, February 9, 2020, 8:36 PM UTC

Maybe a community weight room in the new facility

Sunday, February 9, 2020, 5:37 PM UTC

The "lake" development (behind Cracker Barrel) is very, very nice. I hope it will be completed this year.

Sunday, February 9, 2020, 2:03 PM UTC

Overall I think the city counsel and policy officers are great, keep up the good work.

Saturday, February 8, 2020, 8:37 PM UTC

Any choices must be based on fiscal responsibility. In our opinion, what's hurting government is too much influence from special interests.

As an example, just because sports are a big part of our society doesn't mean we need a civic (government run) sports park. However, if it generates revenue to cover its own expenses throughout its lifetime then that's fiscally responsible.

As far as recreation, there are many for-profit facilities that support resident recreation whether they are in CS or not. Leave that up to private business.

Saturday, February 8, 2020, 7:09 PM UTC

No, but so glad that you are asking for community input, shows that you are on the correct course.

Saturday, February 8, 2020, 6:19 PM UTC

Nothing that I can think of. I'm a life long citizen of Cold Spring and I've enjoyed growing up here.

Saturday, February 8, 2020, 4:52 PM UTC

Recycling is a biggie for us, keeping as much green space as possible.

Saturday, February 8, 2020, 4:18 PM UTC

Growth is going to happen

I hope we do it gracefully & keep

A hometown feeling. Don't get caught up in the college crowd let Highland Heights have that. We only need so many hamburger & pizza joints! Keep a little bit country in the atmosphere with architecture and landscaping. Be careful of what we allow along us 27 it will define our city. A community Center is a good idea. What it is used for is the question.

An inside padded walk path nice! Event hall for weddings , concerts?

Saturday, February 8, 2020, 4:12 PM UTC

Suggest getting professional help for planning a new civic/rec center. If it isn't done right we will a expensive building that's not being used and costing tax payers a lot of money.

Saturday, February 8, 2020, 1:58 PM UTC

Don't make decision s since others do around us do what we need.

We are a small

Community and many of us stay here for that reason . If we wanted to live in a big community we would not have moved there but we chose this smaller community for everything it already offers and proximity tonwhay we sent but don't need in our city

Saturday, February 8, 2020, 2:37 AM UTC

I think cold Spring Ky could shine as a kid point between the city and the county. We are I. The shadow of NKU so whatever we do we need to be unique. Small business make a city and stop bringing in chain restaurants.

I like living in Cold Spring and am happy with how the city is run at this point.

Friday, February 7, 2020, 2:28 AM UTC

If you made walk\ bike trail connecting neighborhoods (away from US27) for kids and adults. But we are well aware that all costs fall on the back of the tax payer (us and our neighbors) so nothing fancy or extreme just attractive and sensible.

Friday, February 7, 2020, 1:59 AM UTC

Add trees and improve US 27 corridor

Friday, February 7, 2020, 12:35 AM UTC

Would like to see more reasonable housing development. Right now I have to leave cold spring if I want to build a reasonably priced home. With more and more people having student loans it forces people to not be able to afford a lot of the options available

Thursday, February 6, 2020, 10:49 PM UTC

Putting friendly notices on trash cans that linger at the curb days after the collection. Oh, I'm just responding to the questions. The city is doing a great job and I'm proud to live in Cold Spring. Thanks to all of our Cold Spring City employees and volunteers.

Thursday, February 6, 2020, 9:29 PM UTC

After I retired, I often thought about moving, even to Ohio or another close area, but I really realized if I'm going to stay in Kentucky, I would prefer to live in Cold Spring.

Thursday, February 6, 2020, 9:18 PM UTC

Pleased with the progress, hope to see more

Thursday, February 6, 2020, 9:00 PM UTC

We attending a meeting where brother rick asked about the sign in front of the church. The city council members pretty much ignored every word, and didn't even respond. It was harsh to witness. Also...what harm is it to let them have their sign. We should be supporting each other in the community, not stopping each other from succeeding...

Thursday, February 6, 2020, 8:01 PM UTC

Like stated before my biggest issue is school zones. Also, If All condo complexes were taken in by the city. I hear one is not. Why??? They pay taxes like the rest of us and I feel they should be included. You are taking their money and they are not getting any services. FIX THIS!!!! Be a COMMUNITY!!!! Their money matters!!

Thursday, February 6, 2020, 7:50 PM UTC

The mayor should answer questions from anyone in the city, not just a select few

Thursday, February 6, 2020, 7:10 PM UTC

Wednesday, February 5, 2020, 1:31 PM UTC

Wondering if there are any guidelines that can be applied to the condition of the water/ponds in my condo complex. I live in the condos across from Cracker Barrel, (Buckingham Ct) and the 2 ponds are infested in the warmer months with green slime, which just lays on top of the water. Does the city have any codes to enforce to the HOA? Its a hazard to animals and probably humans too because it smells horrible!!!
Thank you!

Please consider that not ALL residents/citizens of Cold Spring have email, computers or internet. Even those with email, not all are necessarily on the Cold Spring email list. I believe it is safe to say that many citizens have no idea about a new center being in the works. There needs to be info given out other ways - newsletter, "regular" mail and the like. There are definitely residents who have no idea about this.

Need to develop program to effectively trap and release skunks. People in Cincinnati call Cold Spring - Skunk City. Skunks have a significant impact on quality of life in the Sturbridge sub-division of Cold Spring. Kids and dogs getting sprayed is a common and significant issue.

Think outside the box. It would benefit all if the committee researched/Googled community centers from other cities across the country and see what has been done. Consider making the city larger by annexing more of the open land attached to the present City, to keep growth and good controlled development happening. That is really why what we have today was possible. Also considering purchasing a large piece of land for a unique park with shelters, playgrounds, and long walking trails.

Sunday, February 2, 2020, 12:40 AM UTC

Many events aimed at families but cold spring has a large group of people without children ...retirees , childless by choice professionals and college next door with 20 somethings - no focus on this demographics and preferences - we head on weekend to Covington, Bellevue or Cincinnati

Saturday, February 1, 2020, 5:52 PM UTC

I have reported this before, and I'm sad that nothing can be done. In the park-n-ride a block south of St. Joe's, there is no walkway from the parking lot to the shelter for bus riders. I have seen many, many, many times - a person with a walker, crutches, mentally handicapped, aged, etc. waiting for the bus. I am so sad that it must be so hard for them to maneuver themselves to safely get from the lot to the shelter. I have no physical handicaps right now, but if I did, I would hope that someone would try to improve the situation for me.

Please work on getting something done about the traffic on US 27. Also consider looking at the timing of the lights turning off of Matinee and East Alexandria pike. The light for cars to turn onto 27 from those 2 streets is not long enough. Cars sitting there waiting to turn on 27 have to wait a considerable amount of time for the light to turn green for them. Also, cars on US 27 turning left onto E.Alexandria, have a very hard time seeing around cars turning from 27 onto Matinee. It's very dangerous and a serious accident is going to happen.

If the City would clear/cut down brush by the intersections. Example, where Orchard Terr meets 1998. In the summer, weeds and small trees grow up and block a drivers line of site. Also along 1998, clear more bushes/ trees to improve drivers line of site. 1998 has a lot of heavy trucks that run on that road and it would be helpful to improve the line of sight.

You need better ordinances about businesses grass and landscaping. They may put in good landscaping when they first put the business in. But the upkeep is horrible. Small towns by their very nature can not provide everything within their own borders. Distribution of information on where other amenities can be found is key. Promote the small town concept and feeling of a close-knit neighborhood through events like local picnics, BBQs, meet & greets... you know, get to know your neighbor events.

We need help now before someone is seriously hurt getting in and out of our neighborhood, glenridge

No, thanks for the opportunity to provide feedback. We are a great town and having NKU adjacent is wonderful. But both us and Highland Heights will wither and die without a MAJOR fix to the growing traffic problem we have which is caused by the ultra growth in Alexandria and points south.

Pay more attention to what businesses are going in and if the looks of the building add or subtract to the beauty of Cold Spring.

Wednesday, January 29, 2020, 5:44 PM UTC

Continue being transparent and available to answer questions and deal with concerns.

Survey was a bit long. I am proud to live in this city.

Term limits for mayor and city council positions. I love municipal park, the grounds and the trees are beautiful. I don't want that to change. I also like the preschool located at municipal park. What better place for children to learn and play?

Wednesday, January 29, 2020, 4:37 PM UTC

Invest in making all the roads nicer. Dry Creek and Murnan look awful.

Wednesday, January 29, 2020, 3:50 PM UTC

In order to keep the city attractive we need to encourage people to keep their properties clean and attractive. Curb appeal is important! Also enforce dog leash laws

Wednesday, January 29, 2020, 2:40 PM UTC

The city should not be in the private business of building and or operating a rec center

Wednesday, January 29, 2020, 1:18 PM UTC

Thanks for soliciting feedback!

If we had a civic center, we could play cards once a month.

Wednesday, January 29, 2020, 4:41 AM UTC

Offer an evening or afternoon program that gives the history of Cold Spring.

Wednesday, January 29, 2020, 3:54 AM UTC

Do not spend a lot of other people's money to benefit a few.

Wednesday, January 29, 2020, 3:05 AM UTC

Keep soliciting feedback and be sure to promote all the good things happening in the community

If you can't patrol US 27 then hire more officers or get other agencies to help during school hours and rush hours

Wednesday, January 29, 2020, 12:28 AM UTC

Peace, love & empathy.

Overall, just something that would attract post college young professionals to stay in the city to do something with friends. Most people my age will go to Florence, OTR, Newport, or Covington for events.

I think reviewing the tax plans would be smart. People would pay more if they knew they were getting something of value or a commodity in return.

Is a new facility going to require more city staff? If so consider volunteers. Let us know about additional staffing needs at the meeting and please film it for all to view. I miss Campbell Media and cannot find the meetings to view on any network channel.

For a 20+ year plan please keep on eye on traffic congestion on US 27. Another pass through road or away around the city for all those Alexandria development area residents and other areas South of Cold Spring maybe needed.

I really would love to see Cold Spring on the forefront with recreation. I think parks are a huge selling point for cities and although I enjoy the parks, they are rather small to keep children entertained for very long.

Tuesday, January 28, 2020, 7:05 PM UTC

I feel strongly about what I mentioned and have experience in facilitating successful projects. I'll keep my eyes and ears open for opportunities in the future.

Tuesday, January 28, 2020, 6:39 PM UTC

Thanks for keeping our city great!

Tuesday, January 28, 2020, 6:28 PM UTC

Look at Ft. Mitchell's model. They always have something going on too.

Tuesday, January 28, 2020, 6:26 PM UTC

I would love to see a traffic light at the entrance of Glenridge Subdivision and the AA. It is not safe.

Tuesday, January 28, 2020, 6:11 PM UTC

No more condos or apartments

Tuesday, January 28, 2020, 5:03 PM UTC

we're not happy with our new tax bill.

Tuesday, January 28, 2020, 4:06 PM UTC

I can't think of anything else at this time.

Fix left turn signals to activate into Granite Springs. Please cleanup poop in park/ball diamond behind police station. Birds or dogs have pooped so much there I would not want toddler or young children playing on ball diamond or playground equipment. Walk there yourself. Poop in any square yard of field and area. Unusable park and recreation facility. Just walk there yourself.

If the city is planning a new recreation center the big concern for many will be how it will effect our city tax. What will it cost us?
