- Comments from Council - Adam Sandfoss reminded everyone to wash their hands and wear a mask. Cindy Moore wanted to share some concerns from residents. The first concern is that the trucks coming in and out of the intersection at US 27 and 1998 run the light all of the time. The second concern is that people who are turning into Orchard Terrace are being passed by drivers going into the emergency lane. The third concern is the intersection at US 27 and East Alexandria Pike. There was discussion about the turning lanes from Matinee and US 27. Adam Sandfoss that no one has the right-of-way, you are supposed to stay in the inner lane if you are going north from Matinee, and the outer lane if you are turning right from East Alexandria Pike. Steve Taylor advised her to tell the resident that the City has requested that the state paint the dotted lines for each lane and the state has refused. Brandon Voelker stated that the AA was painted and some peoples cars were hit with paint because the mixture wasn't correct, he will send forms to the City if anyone needs them.
