We are continuing to have unlocked vehicles being gone through. They are removing laptop computers, cash and firearms. When they find a key in an unlocked vehicle, they normally take that vehicle as well. Recent events in Northern Kentucky may reduce these incidents.

Our Investigator was able to charge an individual with thefts of catalytic converters, this person plead guilty. There is a Bench Warrant on this individual currently.

A second individual was charged and convicted to Kidnapping and Sexual Abuse 3rd, sentencing in November.

A search warrant was executed at Cash America in Louisville to recover a laptop that was taken from an unlocked vehicle. Laptop returned to owner; investigation continues.
